SUMMARY

This amendment restructures the salary supplement incentive established for teachers who attain certification from the National Board for Professional Teaching Standards. The amendment provides that, in fiscal year 2012-13, a salary supplement of \$2,500 must be awarded to national board-certified teachers; in fiscal year 2013-14, a salary supplement of \$2,750 is awarded to national board-certified teachers; and in fiscal year 2014-15 and succeeding years, a salary supplement of \$3,000 is awarded to national board-certified teachers. The amendment establishes, beginning in fiscal year 2012-13, the National Board Certification Salary Supplement Fund. The salary supplement must be funded through a portion of teacher certification fees collected by the Department of Education. The amendment also establishes an incentive to encourage teachers with at least 3 years of experience who agree to mentor another teacher through the national board certification process to apply for national board certification. The amendment provides that, beginning with fiscal year 2012-13, the department must establish a nonlapsing scholarship fund to encourage teachers to apply to and enroll in the certification program of the National Board for Professional Teaching Standards. The amendment also adds an appropriations and allocations section.
