**Fiscal Detail and Notes**

This amendment appropriates \$358,865 in fiscal year 2010-11 to restore funding for transportation services provided by the Purchased Social Services program in the Department of Health and Human Services. This appropriation is offset by a deappropriation of \$358,865 million for hospital settlement payments provided by the MaineCare program in the Department of Health and Human Services. Federal Medicaid matching funds would also be reduced.
