Fiscal Detail and Notes

The Office of Professional and Occupational Regulation within the Department of Professional and Financial Regulation will require a one-time Other Special Revenue Funds allocation of \$5,000 in fiscal year 2012-13 for the costs associated with rulemaking and licensing system modifications in order for the Maine Board of Pharmacy to register pharmacy interns. According to officials at the Department of Professional and Financial Regulation, there are sufficient funds within the board's existing budget to absorb the cost of this legislation without increasing fees.
