#### Fiscal Detail and Notes

This bill includes one-time Other Special Revenue Funds allocations totaling \$5,000 to the Department of Professional and Financial Regulation in fiscal year 2012-13 for the costs associated with the licensing of pharmacy interns. Of that amount, a one-time Other Special Revenue Funds allocation of \$2,500 is provided to the Office of Professional and Occupational Regulation in fiscal year 2012-13 for the costs associated with rulemaking. Additionally, a one-time Other Special Revenue Funds allocation of \$2,500 is provided to the Administrative Services Division for the cost of making the licensing system modifications in order for the Maine Board of Pharmacy to license pharmacy interns. According to officials at the Department of Professional and Financial Regulation, there are sufficient funds within the board's existing budget to absorb the cost of this legislation without increasing fees.
