##### **Legislative Cost/Study**

The additional per diem and expenses for Legislators to attend meetings of a separate State Council for Juvenile Supervision are projected to be \$840 annually beginning in fiscal year 2012-13 assuming 4 meetings during the interim between legislative sessions. The Legislature's proposed budget includes \$10,000 in fiscal year 2012-13 for legislative studies from which the legislative costs of this bill would be funded for fiscal year 2012-13. Whether this amount is sufficient to fund all studies and related legislative costs will depend on the number of studies authorized by the Legislative Council and the Legislature.
