8 subsections 1 and 2.

9 **5. County community corrections fund.** Each county treasurer shall place the
10 funds received from the department pursuant to subsection 1 into a separate community
11 fund. A county may use funds placed in this account only for community corrections as
12 defined in subsection 1.

13 Before distributing to a county that county's entire distribution from the collection of
14 surcharges pursuant to Title 4, section 1057, the department shall require that county to
15 submit appropriate documentation to the State Sentencing and Corrections Practices
16 Coordinating Council established in section 1209-A verifying that the county expended
17 20% of its prior distribution for the purpose of community corrections as defined in
18 subsection 1. If a county fails to submit appropriate documentation verifying that the
19 county expended 20% of its prior distribution for the purpose of community corrections,
20 the department shall distribute to that county only 80% of its distribution. The
21 department shall distribute the 20% not distributed to that county to all other counties that
22 submit appropriate documentation verifying compliance with the 20% expenditure
23 requirement for the purpose of community corrections. The department shall distribute
24 these funds to those qualifying counties in an amount equal to each county's percent
25 distribution pursuant to subsection 3.

26 **6. Surcharge imposed.** In addition to the 14% surcharge collected pursuant to Title
27 4, section 1057, an additional 1% surcharge must be added to every fine, forfeiture or
28 penalty imposed by any court in this State, which for the purposes of collection and
29 collection procedures is considered a part of the fine, forfeiture or penalty. All funds
30 collected pursuant to this subsection are nonlapsing and must be deposited monthly in the
31 County Jail Prisoner Support Fund under subsection 2 and the Community Corrections
32 Fund under subsection 1.

38 reenacted to read:

1 This bill repeals changes that were enacted pursuant to Public Law 2007, chapter 653,
2 whose purpose was to develop and implement a unified correctional system. The bill
3 eliminates the State Board of Corrections, which was directed to work with counties, the
4 Department of Corrections, the Legislature and other stakeholders in the criminal justice
5 system to oversee and coordinate the correctional system.

6 The bill reenacts procedures for county budgeting that do not separate correctional
7 costs from noncorrectional costs. The bill also reenacts prior procedures for county
8 corrections reimbursement by the State.
