Presented by Senator CLEVELAND of Androscoggin. Cosponsored by Representative HOBBINS of Saco.

1 Be it enacted by the People of the State of Maine as follows: Sec. 1. 35-A MRSA §3213, as amended by PL 1997, c. 691, §8, is repealed. 2 Sec. 2. 35-A MRSA §3216, as amended by PL 1999, c. 398, Pt. M, §§1 and 2 and 3 affected by §3, is repealed. 4 5 Sec. 3. Transfer of funds. The Public Utilities Commission shall transfer any remaining balance in the Public Utilities Commission Consumer Education Fund, 6 established in the Maine Revised Statutes, Title 35-A, former section 3213, subsection 3, 7 8 to the General Fund. 9 **SUMMARY** 10 This bill repeals provisions of the electric industry restructuring laws that: 11 1. Require electric utilities to issue unbundled bills to consumers that state the cost of the electricity separately from the cost of the transmission and distribution of that 12 electricity; 13 14 2. Establish a consumer education program, and a funding mechanism for that program, regarding the implementation of retail competition in the State's retail electricity 15 markets and its impact on consumers. The program was time limited and has concluded. 16 17 The Public Utilities Commission is directed to transfer any remaining balance in the 18 Public Utilities Commission Consumer Education Fund to the General Fund: and 19 3. Require each investor-owned utility to prepare a plan for providing transition 20 services and benefits for employees who were employed by the utility on January 1, 1998 and are laid off due to retail competition, which is defined as, absent other just cause, a 21 22 layoff that occurs after March 1, 2000 and before December 31, 2001. This provision is no longer necessary since that date has been reached. 23
