SUMMARY

27 This amendment increases the membership of the Pull Events Commission from 9 to 10 and revises the membership by specifying that 2 members are appointed by farmers 28 associations representing owners of animals who participate in pull events. It specifies 29 that the fair superintendent who serves on the commission is appointed by the 30 31 Commissioner of Agriculture, Food and Rural Resources. It provides for a member to be appointed by a state association of agricultural fairs. It eliminates the member 32 33 representing the animal pulling industry appointed by the Commissioner of Agriculture, Food and Rural Resources. 34

It provides for the staggering of the terms of members appointed in 2012. Subsequent appointments are for 3 years. It requires 6 members of the 10-member commission to be present to transact business and that a majority vote of those present is necessary to approve any action.
