ORDERED, the Senate concurring, that the Joint Standing Committee on Health and Human Services shall report out, to the House, 4 bills pursuant to Resolve 2011, chapter 81:

1. "An Act To Amend the Laws Governing Confidentiality of Health Care Information";
2. "An Act To Require Photographic Identification for Prescriptions for Certain Controlled Substances";

4. "An Act To Amend the Laws Governing Prosecution of Individuals Possessing a Controlled Substance under Certain Circumstances."

**READ.**

The SPEAKER: The Chair recognizes the Representative from Cumberland, Representative Strang Burgess.

Representative **STRANG BURGESS**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. I simply would like to share with you that these four bills are being introduced as a result of LD 1501, which was a Resolve, and we had a workgroup work over the summer and through this fall and reported back to the HHS Committee from the Substance Abuse

Services Commission. They came to us with about a four-inch binder thick of a lot of different suggestions and ideas that we can do to work on Maine's number one substance abuse issue. In fact, our opioid use in this state is nine times higher than the national average, and if that doesn't scare you, then I don't know what will. This commission came forward with a number of little fixes like many of the problems and challenges we have in our state. They are not solved by the perfect silver bullet. It takes many, many, many different fixes and we have four of them that this commission brought forward for consideration and they will be heading off to some different committees and I hope that you will all give them strong consideration when you see them come across your desks. Thank you very much.

Subsequently, the Joint Order was **PASSED.**  
Sent for concurrence.

The SPEAKER: The Chair recognizes the Representative from Lewiston, Representative Rotundo.

Representative **ROTUNDO**: Thank you, Mr. Speaker. Mr. Speaker, Men and Women of the House. I want to salute the work of the L-A CASH Coalition, which has been especially focused on advocating for and raising awareness for taxpayers around the Earned Income Tax Credit. The EITC is a federal tax benefit for low to moderate-income individuals who work. Workers eligible for the EITC can receive a tax credit up to \$5,751 in their 2011 federal tax return. It is one of the most successful antipoverty programs we have. The EITC is a wonderful example of public policy that targets a tax benefit at people who can use the money to support the everyday needs of their family. These are folks who put the tax savings into the local economy and help sustain jobs and businesses in our communities throughout Maine. And while it's an appropriately a mean-based tax benefit, it also appropriately focuses on low and moderate-income people who are working one, two or more jobs in order to get by. I send my special congratulations to the L-A Coalition that's been particularly successful in helping people to benefit from this tax credit. And I would encourage all of my colleagues in the chamber today to go downstairs at the end of our session to talk to representatives who can give you more information that you can share with your constituents about this wonderful tax credit. Thank you, Mr. Speaker.

Subsequently, the Sentiment was **PASSED** and sent for concurrence.
