§1754-B. Registration of sellers**(CONFLICT)****1. Persons required to register.**

[PL 2019, c. 401, Pt. B, §9 (RP); PL 2019, c. 441, §2 (RP).]

1-A. Persons presumptively required to register. This subsection defines the basis for and obligations associated with the rebuttable presumption created by this subsection that a seller not registered under subsection 1-B is engaged in the business of selling tangible personal property or taxable services for use in this State and is required to register as a retailer with the assessor.

A. As used in this subsection, unless the context otherwise indicates, the following terms have the following meanings.

(1) "Affiliated person" means a person that is a member of the same controlled group of corporations as the seller or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the seller as a corporation that is a member of the same controlled group of corporations. For purposes of this subparagraph, "controlled group of corporations" has the same meaning as in the Code, Section 1563(a).

(2) "Person" means an individual or entity that qualifies as a person under the Code, Section 7701(a)(1).

(3) "Seller" means a person that sells, other than in a casual sale, tangible personal property or taxable services. [PL 2013, c. 200, §4 (NEW).]

B. A seller is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if an affiliated person has a substantial physical presence in this State or if any person, other than a person acting in its capacity as a common carrier, that has a substantial physical presence in this State:

(1) Sells a similar line of products as the seller and does so under a business name that is the same as or similar to that of the seller;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in the State to facilitate the delivery of property or services sold by the seller to the seller's customers;

(3) Uses trademarks, service marks or trade names in the State that are the same as or substantially similar to those used by the seller;

(4) Delivers, installs, assembles or performs maintenance services for the seller's customers within the State;

(5) Facilitates the seller's delivery of property to customers in the State by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in the State; or

(6) Conducts any activities in the State that are significantly associated with the seller's ability to establish and maintain a market in the State for the seller's sales.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part. A seller may rebut the presumption created in this paragraph by demonstrating that the person's activities in the State are not significantly associated with the seller's ability to establish or maintain a market in this State for the seller's sales. [PL 2013, c. 546, §10 (AMD).]

C. A seller that does not otherwise meet the requirements of paragraph B is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if the

seller enters into an agreement with a person under which the person, for a commission or other consideration, while within this State:

- (1) Directly or indirectly refers potential customers, whether by a link on an Internet website, by telemarketing, by an in-person presentation or otherwise, to the seller; and
- (2) The cumulative gross receipts from retail sales by the seller to customers in the State who are referred to the seller by all persons with this type of an agreement with the seller are in excess of \$10,000 during the preceding 12 months.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part.

A seller may rebut the presumption created in this paragraph by submitting proof that the person with whom the seller has an agreement did not engage in any activity within the State that was significantly associated with the seller's ability to establish or maintain the seller's market in the State during the preceding 12 months. Such proof may consist of sworn, written statements from all of the persons within this State with whom the seller has an agreement stating that they did not engage in any solicitation in the State on behalf of the seller during the preceding 12 months; these statements must be provided and obtained in good faith.

A person who enters into an agreement with a seller under this paragraph to refer customers by a link on an Internet website is not required to register or collect taxes under this Part solely because of the existence of the agreement. 2. Registration certificates. Application forms for sales tax registration certificates must be prescribed and furnished free of charge by the assessor. The assessor shall issue a registration certificate to each applicant that properly completes and submits an application form. A separate application must be completed and a separate registration certificate issued for each place of business. A registration certificate issued pursuant to this section is nontransferable and is not a license within the meaning of that term in the Maine Administrative Procedure Act. Each application for a registration certificate must contain a statement as to the type or types of tangible personal property that the applicant intends to purchase for resale and the type or types of taxable services that the applicant intends to sell, and each retailer registered under this section must inform the assessor in writing of any changes to the type or types of tangible personal property that it purchases for resale or to the type or types of taxable services that it sells.

If the retailer maintains a place of business in this State, the retailer shall make available a copy of the registration certificate issued for that place of business at that place of business for inspection by the assessor, the assessor's representatives and agents or authorized municipal officials. If the retailer does not have a fixed place of business and makes sales from one or more motor vehicles, each motor vehicle is deemed to be a place of business.

2-A. Making sales after revocation. A person whose sales tax registration certificate has been revoked by the assessor pursuant to section 1757 who continues to make retail sales in this State commits a Class D crime. [PL 2003, c. 452, Pt. U, §3 (NEW); PL 2003, c. 452, Pt. X, §2 (AFF).]

2-B. Provisional resale certificates; new accounts. The assessor shall issue a resale certificate to each applicant for initial registration that states on its application that it expects to make annual gross sales of \$3,000 or more. A resale certificate issued between January 1st and September 30th is effective for the duration of the calendar year in which it is issued and the 3 subsequent years. A resale certificate issued between October 1st and December 31st is effective until the end of the 4th succeeding calendar year. Each certificate must contain the name and address of the retailer, the expiration date of the certificate and the certificate number. If a vendor has a true copy of a retailer's resale certificate on file, that retailer need not present the certificate for each subsequent transaction with that vendor during the period for which it is valid.

[PL 2019, c. 401, Pt. B, §12 (AMD).]

2-C. Issuance and renewal of resale certificates; contents; presentation to vendor. On November 1st of each year, the assessor shall review the returns filed by each registered retailer unless the retailer has a resale certificate expiring after December 31st of that year. If the retailer reports \$3,000 or more in gross sales during the 12 months preceding the assessor's review, the assessor shall issue to the registered retailer a resale certificate effective for 5 calendar years. Each certificate must contain the name and address of the retailer, the expiration date of the certificate and the certificate

number. If a vendor has a true copy of a retailer's resale certificate on file, that retailer need not present the certificate for each subsequent transaction with that vendor during the period for which it is valid.

A registered retailer that fails to meet the \$3,000 threshold upon the annual review of the assessor is not entitled to renewal of its resale certificate except as provided in this subsection. When any such retailer shows that its gross sales for a more current 12-month period total \$3,000 or more or explains to the satisfaction of the assessor why temporary extraordinary circumstances caused that retailer's gross sales for the period used for the assessor's annual review to be less than \$3,000, the assessor shall, upon the written request of the retailer, issue to the retailer a resale certificate effective for the next 5 calendar years.

[PL 2019, c. 401, Pt. B, §13 (AMD).]

3. Failure to register. A person who is required by this section to register as a retailer with the assessor and who makes retail sales in this State without being so registered commits a Class E crime. Violation of this subsection is a strict liability crime as defined in Title 17-A, section 34, subsection 4-A.

§1755. No registration unless tax paid

Whenever tangible personal property is required by the laws of this State to be registered for use within the State the applicant for registration, whether or not the owner, must either pay the sales tax or use tax or prove that the tax is not due. The applicant shall file a dealer's certificate or use tax certificate with the registering agency in a form prescribed by the State Tax Assessor reporting the name of the seller, the date of purchase, the sale price and other information pertinent to determination of tax liability. §1756. Voluntary registration

Every seller of tangible personal property or taxable services that is not required by section 1754-B to register may register upon those terms that the assessor prescribes. Upon registration, the seller has the rights and duties of a person required to be registered and is subject to the same penalties, except that the seller's liability may be limited to tax actually collected. The seller so registered may at any time surrender the seller's registration certificate and request that the registration certificate be canceled. Upon receipt of the certificate and request, the assessor shall grant the cancellation, if it appears to the assessor that the seller has satisfied all liability to the State and that the seller is not required by law to register. Upon surrender of the certificate, the seller must cease to collect sales or use taxes upon sales that occur on and after the date of the surrender. [PL 1995, c. 640, §4 (RPR).]

§1757. Revocation of registration

The State Tax Assessor may revoke the registration certificate of a registrant who fails to file, within 15 days after receipt of notice, a bond or deposit required under section 1759 and may revoke for cause a registration certificate issued under this Part. The assessor may revoke the registration certificate of a registrant who fails to file with the assessor within 15 days after the due date a return as required under this Part. A revocation is reviewable in accordance with section 151. If a registrant fails to pay any tax required by this Part when the tax is shown to be due on a return filed by the registrant, or admitted to be due by the registrant, or has been determined to be due and that determination has become final, notification of the registrant by the assessor as provided in this section operates to suspend the registration certificate from the date of the notice of suspension until the delinquent tax is paid or a bond or deposit required under section 1759 is filed with the assessor or it is determined by an appropriate court that revocation is not warranted. §1758. Use tax on interim rental of property purchased for resale

1. Definition. As used in this section, unless the context otherwise indicates, the term "rentals" includes any receipts derived from the use of property that is rented or leased. [PL 1999, c. 708, §24 (NEW).]

2. Generally; tax imposed on rental payments. This section governs the taxation of tangible personal property that is purchased for resale in this State, other than at casual sale, and upon which no sales tax has been paid pursuant to chapters 211 to 225 when the property is rented or leased after purchase on an interim basis by the purchaser to another person prior to being sold. In lieu of the use tax otherwise imposed by section 1861, a tax is imposed at the same rate as that provided in the case of sales taxes by section 1811 upon all rentals received by the purchaser for the use of that property. [PL 1999, c. 708, §24 (NEW).]

3. Exceptions. The purchaser is liable for a use tax on the property based on the purchase price less the aggregate amount of tax paid pursuant to this section on the rentals received by the purchaser in the following circumstances:

A. When the purchaser, after first renting tangible personal property purchased for resale, subsequently makes any use of that property other than as set forth in subsection 2; or [PL 1999, c. 708, §24 (NEW).]

B. When the purchaser rents the property for a period of 12 months or more to any one person. [PL 1999, c. 708, §24 (NEW).]

[PL 1999, c. 708, §24 (NEW).]

4. Other sections applicable. The tax on rentals imposed by this section is subject to section 1812 and all other pertinent provisions of this Part and for the purposes of this Part is treated the same as the sales tax imposed by section 1811 with the lessor deemed to be the retailer, the lease payments deemed to be the sale price and the lessee deemed to be the purchaser and consumer.

In lieu of a bond the assessor may accept a deposit of money or securities in an amount and of a kind acceptable to the assessor. The deposit must be delivered to the Treasurer of State, who shall safely keep it subject to the instructions of the assessor. [PL 2019, c. 401, Pt. B, §14 (AMD); PL 2019, c. 441, §5 (AMD).]

§1760-C. Exempt activities

The tax exemptions provided by section 1760 to a person based upon its charitable, nonprofit or other public purposes apply only if the property or service purchased is intended to be used by the person primarily in the activity identified by the particular exemption. The tax exemptions provided by section 1760 to a person based upon its charitable, nonprofit or other public purposes do not apply where title is held or taken by the person as security for any financing arrangement. Exemption certificates issued by the State Tax Assessor pursuant to section 1760 must identify the exempt activity and must state that the certificate may be used by the holder only when purchasing property or services intended to be used by the holder primarily in the exempt activity. If the holder of an exemption certificate furnishes that certificate to a person for use in purchasing tangible personal property or taxable services that are physically incorporated in, and become a permanent part of, real property that is not used by the holder of the certificate primarily in the exempt activity, the State Tax Assessor may assess the unpaid tax against the holder of the certificate as provided in section 141. When an otherwise qualifying person is engaged in both exempt and nonexempt activities, an exemption certificate may be issued to the person only if the person has established to the satisfaction of the assessor that the applicant has adequate accounting controls to limit the use of the certificate to exempt purchases. §1760-D. Exemptions of certain products; information posted on publicly accessible website

1. List of products. The assessor shall post on the bureau's publicly accessible website, and update quarterly, a list of products used in commercial agricultural or silvicultural crop production or in animal

agricultural production with respect to which the assessor has made a written determination on the applicability of a sales tax exemption under section 1760, subsection 7-B or 7-C and of items of depreciable machinery and equipment that the assessor has determined may be eligible for a refund of sales tax under section 2013. In the case of products exempt from tax under section 1760, subsection 7-B or 7-C, the list must include the name of the product and any other information necessary to identify the product at the point of sale.

When the assessor receives a request in writing for a determination as to whether or not a product used in commercial agricultural or silvicultural crop production or in animal agricultural production is exempt from sales tax under section 1760, subsection 7-B or 7-C, the assessor shall respond in writing. [PL 2011, c. 285, §6 (AMD); PL 2011, c. 285, §15 (AFF).]

2. Information on procedures for appeals and refunds. The assessor shall provide information on the bureau's publicly accessible website regarding the procedures for:

A. Requesting a refund of sales tax paid on an exempt product; [PL 2011, c. 285, §6 (NEW); PL 2011, c. 285, §15 (AFF).]

B. Appealing an assessment of tax liability; and [PL 2011, c. 285, §6 (NEW); PL 2011, c. 285, §15 (AFF).]

It is unlawful for any retailer to advertise or hold out or state to the public or to any consumer, directly or indirectly, that the tax or any part of the tax imposed by chapters 211 to 225 will be assumed or absorbed by the retailer, or that it will not be added to or included in the sale price of the property or service sold, or if added or included that it or any part of the tax will be refunded. §1763. Presumptions

The burden of proving that a transaction was not taxable is on the person charged with tax liability. The presumption that a sale was not for resale may be overcome during an audit or upon reconsideration if the seller proves that the purchaser was the holder of a currently valid resale certificate as provided in section 1754-B at the time of the sale or proves through other means that the property purchased was purchased for resale by the purchaser in the ordinary course of business. Notwithstanding section 1752, subsection 11, paragraph B, if the seller satisfies the seller's burden of proof, the sale is not considered a retail sale. [PL 2007, c. 693, §16 (AMD).]

SECTION HISTORY

PL 2007, c. 693, §16 (AMD).

§1764. Tax against certain casual sales

The tax imposed by this Part must be levied upon all casual rentals of living quarters in a hotel, rooming house, tourist camp or trailer camp and upon all casual sales involving the sale of trailers, truck campers, motor vehicles, special mobile equipment, watercraft or aircraft unless the property is sold for resale at retail sale or to a corporation, partnership, trust, limited liability company or limited liability partnership when the seller is the owner of 50% or more of the common stock of the corporation or of the ownership interests in the partnership, trust, limited liability company or limited liability partnership. This section does not apply to the rental of living quarters rented for a total of fewer than 15 days in the calendar year, except that a person who owns and offers for rental more than one property in the State during the calendar year is liable for collecting sales tax with respect to the rental of each unit regardless of the number of days for which it is rented. For purposes of this section, "special mobile equipment" does not include farm tractors and lumber harvesting vehicles or loaders. [PL 2015, c. 300, Pt. A, §24 (AMD).]
