

Request for Proposal
Assessment of the State of Maine
Office of Information Technology's Strategic Plan

The Maine State Legislature's Office of Program Evaluation and Government Accountability (OPEGA) seeks proposals from qualified individuals or firms with experience in assessing information technology strategic plans for state governments to assist OPEGA in performing such a review of Maine's Office of Information Technology (OIT).

OPEGA is currently engaged in reviewing OIT's progress in three critical areas identified in the 2005 OPEGA report on Statewide Information Technology Planning and Management. The purpose of OPEGA's two-year project is to ensure OIT makes acceptable progress in effectively addressing these known areas of concern. The consultant will be responsible for assisting OPEGA with assessing and validating the actions taken by Maine's Office of Information Technology (OIT) toward improvement in several critical information technology and service areas.

Interested parties may obtain a copy of the RFP and instructions by calling 207.287.1901 or sending an email to: OPEGAOIT-Review@legislature.maine.gov.

QUESTIONS must be in writing, due no later than **5:00 local time, December 12, 2014**.

COMPLETED PROPOSALS must be received no later than **5:00 p.m. local time, on December 23, 2014**. Proposals received after the 5:00 p.m. deadline will not be accepted. OPEGA assumes no responsibility for delays caused by any delivery service. Postmarking by the due date will not substitute for actual receipt of the proposal by OPEGA.
