LD 2212 An Act Making Unified Supplemental Appropriations and Allocations for the Expenditures of State Government, General Fund and Other Funds, and Changing Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Years Ending June 30, 2026 and June 30, 2027

SUPPLEMENTAL BUDGET PUBLIC HEARING SCHEDULE

The proposed budget initiatives and language may be viewed on-line here:

<https://legislature.maine.gov/ros/2026-27-supplemental-gf-budget-docs/12583>

PLEASE NOTE: The Joint Public Hearing Schedule is broken up into multiple "BLOCKS" each day with a distinct START TIME for each Policy Committee block. When SIGNING UP TO TESTIFY or SUBMITTING TESTIMONY ON-LINE, make sure to select START TIME that aligns with the BLOCK that includes the Program or Language Part related to your Testimony (see detailed list below).

PLEASE NOTE: The following types of budget initiatives are NOT scheduled for public hearing: Part A initiatives related to approved position reclassifications, reorganizations or range changes; Part B initiatives (reclassifications). Written testimony regarding any of these initiatives may be submitted under the "AFA Only" TIME BLOCK.

Testifying on Zoom and/or Submitting Testimony On-line: Use the link below to sign-up to testify on Zoom and/or submit written testimony. You must sign-up to testify on Zoom AT LEAST 30 MINUTES before the posted START TIME of the hearing BLOCK. Again, make sure you sign-up for the BLOCK related to your testimony. When it is approaching your turn to speak, the Chair will call your name and the Clerk will move you from attendee to panelist on Zoom. Please make sure your name is listed correctly on Zoom and have your video turned on, so that the Chair knows you are ready. When you are done speaking, please exit the Zoom meeting and watch the livestream (see "Livestream" below).

[Testify on Zoom and/or Submit Testimony https://www.mainelegislature.org/testimony/](https://www.mainelegislature.org/testimony/)

Testifying in Person: Sign-up to testify in person using the hard copy sign-up sheets that will be available in the AFA committee room, State House Room 228 (or at a table just outside the committee room). Each hearing BLOCK will have a separate sign-up sheet that will be made available 30 minutes before the START TIME of the hearing block. *Please note: you may only enter your own name on the sign-up sheet, or the name of an individual who requires accommodation.* **Please bring 40 copies of your written testimony** (20 for each committee) and provide these to the Committee Clerk when you come up to testify. Please note: if the AFA committee room is full, you will be asked to wait and listen to the hearing in a designated "overflow room" until it is time for you to testify or until seating becomes available (staff will inform the overflow room if seating is available).

Accommodations: Persons wishing to participate in a Legislative hearing who require accommodations should notify the Legislative Information Office as soon as possible at: 207-287-1692, FAX 207-287-1580, lio@legislature.maine.gov.

Livestream: You may access the livestream (or recording) of Legislative Committee meetings on the Legislature's Calendar at the link below (or from the Legislature's home page, click Calendar at the top of the page). On the Calendar, navigate to the meeting's Date and Time, then click the "play" button for YouTube or the "speaker" button for Legislative streaming.

<p><i>RRR This part transfers the statutory responsibilities for the oversight of manufactured housing manufacturers and manufactured housing communities currently held by the Manufactured Housing Board and administered by the Office of Professional and Occupational Regulation within the Department of Professional and Financial Services to the Maine Office of Community Affairs. It eliminates the Manufactured Housing Board and transfers related accounts and balances to the Maine Office of Community Affairs. It provides transition authority to the Office of Community Affairs to continue administering the related programs of Title 10 Chapter 951 under current rules and authorizes the Maine Office of Community Affairs to develop and implement new rules in replacement. It provides that annual license fees assessed to manufactured housing communities may be expanded to fund legal services provided by the Office of the Attorney General. It also increases the surcharge on plan review fees collected through the Office of the State Fire Marshal to fund the Technical Building Codes and Standards Board with respect to the Maine Uniform Building and Energy Code.</i></p>

<i>C</i>	<i>This Part establishes the Total Cost of Education from Kindergarten to Grade 12, the state contribution, the annual target state share percentage, and the mill expectation for the local contribution for fiscal year 2026-2027.</i>
<i>T</i>	<i><u>Section T-9, T-10 and T-11</u> of this Part implement a program to provide one-time funding to Maine school districts for school bus safety measures including retrofitting buses with crossing arms and anti-pinch door sensors.</i>
<i>FF</i>	<i>This Part authorizes the receipt and expenditure of private funds to support educational programs.</i>
<i>GG</i>	<i>This Part directs the Department of Education, in coordination with the Maine School Management Association, to develop a model policy available to school boards prohibiting use of personal electronic devices during the school day.</i>
<i>HH</i>	<i>This Part repeals the entirety of chapter 114-A related to the creation, uses and sources of funding for the Fund for the Efficient Delivery of Educational Services.</i>
<i>II</i>	<i>This Part increases the minimum age requirements for enrollment from a person who has not yet reached 20 years of age before the start of a school year to a person who has not yet reached 22 years of age before the start of a school year.</i>
<i>JJ</i>	<i>This Part includes costs attributed to professional and administrative staff support to implement the requirements of this section as an allowable use of the fund. It also clarifies that a school administrative unit's unexpended funds in this program at the end of a fiscal year shall be carried forward for the same purpose.</i>
<i>KK</i>	<i>This Part moves the funding to support 16 – 20 year olds that are no longer enrolled in public education from the Essential Programs and Services (EPS) funding calculation to the Adult Education program where these students are taking courses to attain high school equivalency diplomas. The current method of providing funding within the EPS calculation does not guarantee that funds are used to support the intended student population, nor does it require that the allocation go to the SAU operating the adult education services. This change will better align with current statute, improve accuracy, simplify reporting, provide better equity, and increase the impact of funding intended for those students no longer enrolled in public education.</i>
<i>LL</i>	<i>This Part adds an alternate data set to determine teacher eligibility based on the percentage of students identified as economically disadvantaged for subsidy purposes under chapter 606-B.</i>
<i>MM</i>	<i>This Part moves principal and interest costs for approved major capital projects from payment within the Essential Programs and Services (EPS) funding calculation to payment as targeted education funds. This allows the EPS funding calculation for each school administrative unit (SAU) to be determined prior to inclusion of debt service costs and attributes debt service costs only to those SAUs with approved major capital projects.</i>
<i>NN</i>	<i>This Part repeals the subsection of the authorization of payment of targeted education funds related to the Fund for the Efficient Delivery of Educational Services.</i>
<i>OO</i>	<i>This Part changes the Department of Education, Special Services Team program, General Fund account to a nonlapsing account to allow the balance to carry forward for its original purpose.</i>
<i>PP</i>	<i>This Part authorizes the transfer of \$16,651,457 in unencumbered balance forward from the General Purpose Aid for Local Schools program to the Child Development Services program within the Department of Education.</i>
<i>QQ</i>	<i>This Part authorizes the Department of Education to transfer Personal Services to the All Other line category in order to fund maintenance and licensing costs for an internet-based application for free or reduced-priced meals, annual hosting and maintenance costs for the department's grant management system and rising costs related to the adult education data system.</i>
<i>KKK</i>	<i>This Part authorizes the Maine State Library to transfer Personal Services to the All Other line category in order to fund new signage to comply with accessibility codes.</i>
<i>QQQ</i>	<i>This Part repeals outdated language related to tuition waivers and codifies and makes permanent the Maine Free Community College Program.</i>

SSS	<i>This Part identifies annual increases in minimum teacher salaries beginning in the 2027-2028 school year until the minimum salary for certified teachers and career and technical education teachers reaches \$50,000.</i>
