Hello Rebecca,

I believe Biddeford has begun to receive AI-generated FOAA requests, but not that many (yet). The attached document includes two examples of requests received from a citizen we interact with frequently. I feel strongly that he wrote them with assistance from AI.

Best,

RE: FOAA Requests Generated by Artificial Intelligence (AI)

Over the last several months, the Right to Know Advisory Council has met to assess the varied elements of Maine's Freedom of Access Act (FOAA) and have since split into subcommittees to more efficiently tackle the work before them. One topic being explored by the Technology and Burdensome Requests subcommittee is the increased frequency in which governmental agencies are receiving FOAA requests that have been generated by artificial intelligence (AI).

To better understand the impacts, the subcommittee has asked the Maine Municipal Association for assistance gathering examples from municipalities about FOAA requests that have been generated using AI and how it has affected your community.

MMA is asking members to share examples of FOAA requests they have received that appear to have been generated by AI rather than written directly by an individual. We are particularly interested in requests that may be unusually broad, overly detailed, repetitive, highly technical, or that appear to follow an AI-generated format.

If you are not the person who receives and processes FOAA requests in your office, please forward this to the correct individual.

If you have received these types of requests, please consider sharing copies or examples with Rebecca Lambert at rlambert@memun.org, ***by 2:00 p.m.,***

Subject: Maine Freedom of Access Act Request – City Funding and Support for Juneteenth Event

To the City Clerk and Custodian of Records:

Pursuant to the Maine Freedom of Access Act, 1 M.R.S. §401 et seq., I respectfully request copies of all records related to any financial, in-kind, or other support provided by the City of Biddeford for the Juneteenth event hosted by Heart of Biddeford and advertised through Eventbrite as "Biddeford Juneteenth."

Specifically, I request:

1. The total amount of money provided, granted, donated, reimbursed, or otherwise paid by the City of Biddeford, directly or indirectly, to Heart of Biddeford for this event.
2. Copies of any grant agreements, sponsorship agreements, contracts, memoranda of understanding, invoices, reimbursement requests, or other documents relating to City funding or support of this event.
3. Records showing any in-kind contributions provided by the City, including but not limited to staff time, police details, public works services, equipment, facilities, marketing, advertising, permitting fee waivers, or other municipal resources used in support of the event.

4. Any communications between City officials, City employees, elected officials, Heart of Biddeford, event organizers, or Eventbrite concerning City funding, sponsorship, promotion, or support of this event.
5. Any records discussing, reviewing, approving, or addressing the event's ticketing structure, including any distinctions in admission pricing or eligibility based on race, ethnicity, or BIPOC status.
6. Records identifying the source of any City funds used for this event, including budget accounts, appropriations, grants, or other funding sources.

I request that responsive records be provided electronically whenever possible.

I also request a waiver of any fees associated with this request. Disclosure of these records is in the public interest because the information may shed light on the use of public funds and whether any policies, practices, or event eligibility criteria involved discrimination based on race. Making this information available will contribute to the public's understanding of government activities and decision-making.

If any portion of this request is denied, please cite the specific statutory exemption relied upon and provide all reasonably segregable non-exempt portions of the records.

Thank you for your assistance. I look forward to your response within the timeframe required by Maine law.

Sincerely,

Steven O'Leary

Mayor Liam LaFontain,

Pursuant to the Maine Freedom of Access Act, 1 M.R.S. §§ 400–414, I hereby request public records supporting the factual claims made in the City of Biddeford's July 21, 2026, official proclamation concerning U.S. Immigration and Customs Enforcement (ICE), the Department of Homeland Security (DHS), and federal immigration enforcement.

The proclamation contains serious allegations, including claims that federal immigration enforcement has resulted in "decades-old, broken, and inhumane" practices, "preventable death," and "reckless and deadly enforcement activities." These are grave accusations against federal law enforcement agencies. Because these statements were issued in an official proclamation by the City of Biddeford, the public has a right to examine the evidence the City relied upon before making these assertions.

Specifically, I request:

- All records, documents, reports, studies, or other evidence supporting the claim that ICE, DHS, or any federal immigration agency has engaged in "deadly enforcement activities."
- All records identifying any specific killings, deaths, or alleged preventable deaths referenced or relied upon in the proclamation, including:
    - Names of individuals involved;
    - Dates and locations of incidents;
    - Investigative reports;
    - Law enforcement findings;

    - Court records or official determinations.
- All evidence supporting the statement that immigration enforcement has caused "preventable death."
- All videos, photographs, body-camera footage, recordings, witness statements, investigative files, reports, or other materials reviewed or relied upon by the City in drafting or approving the proclamation.
- All communications between the City of Biddeford and ICE, DHS, DOJ, FBI, or any federal, state, or local law enforcement agency concerning:
    - The proclamation;
    - The allegations contained within it;
    - Any incidents referenced in the proclamation.
- All emails, text messages, memoranda, drafts, notes, meeting records, and correspondence relating to the creation, review, editing, approval, or adoption of the proclamation.
- Any legal opinions, factual reviews, research materials, briefing documents, or analyses used to support the factual claims contained in the proclamation.
- Records identifying any individuals, advocacy groups, organizations, consultants, or other sources that provided information used by the City in preparing the proclamation.

If the City of Biddeford does not possess records substantiating these allegations—including the claims regarding "deadly enforcement activities," "preventable death," or any alleged deaths connected to ICE or federal immigration enforcement—please state that clearly in your response.

If any requested records are withheld, please identify each withheld record, provide the specific statutory exemption claimed under the Maine Freedom of Access Act, and explain how that exemption applies.

I request that responsive records be provided electronically whenever possible. If the anticipated cost of fulfilling this request exceeds $25, please notify me before proceeding.

I also request a waiver of any fees associated with this request. The requested records concern official statements made by a municipal government accusing federal law enforcement agencies of conduct resulting in deaths and preventable harm. Because these are serious public allegations made in an official government proclamation,

disclosure of the records supporting those claims is plainly in the public interest and will contribute significantly to the public's understanding of the factual basis for the City's statements. This request is not made for commercial purposes.

I request your response within the timeframe required by the Maine Freedom of Access Act.

Sincerely,

Steven O'Leary

Hi Rebecca,

We have had a couple of them recently. One was a "collection" attempt from Irving Oil saying I had applied a credit twice and to remit the overdue amount through an ACH payment. The tone of the email was noticeably unfriendly and seemed off, especially for the amount in question. I reached out and sure enough, it wasn't from the person in the signature line.

The latest one is definitely an AI generated email and invoice sent to a resident after their liquor license was posted to our website. She received an $11,000 invoice from the Norway Planning Commission (which we don't have) and a lengthy email, which the Town Manager did not write or send. I've saved it to pdf and attached a copy.

The one targeting people who are applying for permits is concerning. It means there is active website scraping happening that is triggered by specific documents made available to the public.

Dear Rochelle Albert,

I hope this email finds you well.

We are writing regarding your pending land use application for the property located at 4 Tucker Street, Apt 1, Norway, ME 04268, which is owned by Rochelle Albert and encompasses approximately 0.44 acres. The applicant's mailing address is 6 Sabatus Ln, Windham, ME 04062.

The primary objective of your application is to obtain authorization to serve beer, wine, and spirits for on-premises consumption. This request requires appropriate review and evaluation to ensure that the proposed activity is consistent with applicable municipal regulations, land use policies, public safety considerations, and other relevant requirements governing the property's intended use.

As recommended by the Planning and Zoning Commission, please review and settle the attached invoice for the application review and approval fee. Payment of the applicable fee is an important administrative step in supporting the continued processing of your application and facilitating the necessary review, evaluation, and approval procedures.

The application review process helps ensure that proposed activities are assessed carefully, with appropriate consideration given to regulatory compliance, surrounding land uses, public welfare, and the interests of the wider community. Your timely attention to the attached invoice will assist the responsible administrative personnel in coordinating the necessary procedural steps toward further consideration of your application.

Importance of the Application Review and Approval Fee

The application review and approval fee serves several important purposes in supporting the Planning and Zoning Commission's responsibilities and the broader public interest, including the following:

- **Application review and administrative processing:** Supports the administrative work involved in receiving, organizing, reviewing, and maintaining the documentation associated with your application.
- **Regulatory compliance and evaluation:** Helps support the examination of the proposed on-premises service of beer, wine, and spirits in relation to applicable zoning requirements, permitted uses, and relevant municipal regulations.
- **Planning and Zoning Commission operations:** Contributes to the administrative resources necessary to coordinate application reviews, prepare supporting documentation, and facilitate the Commission's consideration of pending applications.
- **Public hearing coordination:** Where a public hearing is required, the review process may involve preparing notices, organizing application materials, documenting public comments, and coordinating the necessary procedural requirements.
- **Expert and technical reviews:** Helps support the costs associated with obtaining appropriate technical evaluations or professional input when necessary to assess matters such as site suitability, public safety, traffic considerations, environmental impacts, or other relevant planning issues.
- **Contract staff and professional services:** May contribute to authorized costs associated with contracted planning professionals, technical consultants, administrative personnel, and other services required to support a thorough application review.
- **Public interest and community protection:** Supports a review process designed to consider the interests of neighboring property owners, the surrounding community, and the general public while promoting responsible land use and compliance with applicable requirements.
- **Accountability and transparent administration:** Helps maintain an organized process in which application-related expenses, administrative actions, correspondence, and supporting records can be properly documented and accounted for.

- **Statewide planning objectives:** At the broader state level, appropriate local review procedures contribute to responsible land use administration, consistent application of relevant regulations, and the protection of public welfare. Any fee collected must be handled in accordance with the applicable municipal fee schedule and governing requirements.

Next Steps

To facilitate the continued processing of your application, please follow the steps outlined below:

1. Reply to this email to request wire instructions.
Please respond directly to this message to request the official wire transfer instructions required to settle the outstanding application review and approval fee invoice.

2. Settle the invoice using the issued instructions.
Once you receive and verify the official payment instructions, arrange payment of the invoiced amount in accordance with the applicable payment requirements. Please ensure that the transaction details correspond with the invoice provided.

3. Return the wire transfer receipt for confirmation and agenda inclusion.
After completing the payment, reply to this email with a copy of the wire transfer receipt or other official proof of payment. This documentation will assist with payment reconciliation, administrative recordkeeping, and determining the appropriate next steps for your application's consideration and potential agenda inclusion, subject to the Commission's procedures.

Email Correspondence and Recordkeeping

For transparency, accountability, and efficient recordkeeping, please ensure that all correspondence concerning your application, invoice, payment instructions, proof of payment, and subsequent procedural updates is communicated through email. Maintaining the correspondence in one written record will help support auditing requirements and the proper organization of materials associated with the Planning and Zoning Commission's application file.

Please note that payment of the invoice does not, by itself, guarantee approval or authorize the proposed activity to commence. Final action remains subject to the applicable review procedures, regulatory requirements, and any necessary approvals from the appropriate authorities.

We appreciate your cooperation and prompt attention to this matter. Please reply to this email to request the official wire instructions and allow the administrative process to proceed accordingly.

Best regards,

Jill Lathan

Dear Records Custodian,

Pursuant to the Freedom of Information Act (5 U.S.C. § 552) and the Maine Freedom of Access Act (1 MRSA § 400), I respectfully request all records related to the incident below, with emphasis on interrogation materials:

Requested Materials:

Interrogation video, audio, and transcripts
Interviews or custodial statements (audio, video, transcripts)
Body-worn camera footage
Patrol dashcam video
Surveillance or third-party footage
911 calls and dispatch audio/transcripts
Police and investigative reports
Any related photos, documents, or media

Incident Details:

Date of Incident: 2022-01-25
Location: Wells, MA
Involved Agency: Wells Police Department
Incident Description: Texas man Cameron Fore, 20, of Houston, was killed in a late-night single-vehicle crash in Wells, Maine. The driver was transported to Maine Medical Center after the crash near Branch Road; the incident remains under investigation with assistance from Wells Police Department, Wells Fire Department, and a Saco Police traffic reconstructionist, with Life Flight also responding.

If any responsive records are withheld due to an ongoing investigation or other exemption, I request that segregable, non-exempt portions be released and that you provide an estimated date when withheld records may become available. Please specify the legal exemptions for any records withheld.

Please provide records digitally via email, https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fEvidence.com&c=E,1,FqlI66sJVi-lwK9CGUZzfY8t_5imqvOaeEdds_Qy6uW2DqIrZs4Q58PTLNAGhDxw8ISGgtQYm9_vKNnTUMPMXnP3LQHm_e4UMiDf-NaR2Z2ewqf1E4nf1_vvj2p-&typo=1, Dropbox, https://linkprotect.cudasvc.com/url?a=https%3a%2f%2fBox.com&c=E,1,dMn8RnHUPI6dMw2OVaDRb7RWvKDeE_LCX99TyEelTFOprekJ7R4o4GAegblZXNYLFUGSHoGq4kfO1jMCeh032hEi5yJyvfwcZPrfbbi5Rop6Chk,&typo=1, Google Drive, or your preferred file-sharing platform.

I request a fee waiver pursuant to the Freedom of Information Act (5 U.S.C. § 552) and the Maine Freedom of Access Act (1 MRSA § 400). This request concerns a matter of significant public interest — police use of force and public safety. Disclosure will contribute meaningfully to public understanding of government operations. I am a representative of the news media and this request is not primarily for commercial purposes.

Thank you for your assistance. Please contact me if you need further clarification.

Sincerely,
Sarah Scott

FOAA request

---------- Forwarded message ---------
From: **sunlight access** <document@ultrasunlightaccess.com>
Date: Fri, Nov 6, 2026 at 9:11 AM
Subject: Public Records Request: Town of Edgecomb Purchase Orders FR:127453
To: <townclerk@edgecomb.org>

Dear Records Officer,

I hope you are doing well. Thank you for your time and for the work you do.

Pursuant to the Maine Freedom of Access Act (FOAA) (1 M.R.S. § 401 et seq.), I am requesting an electronic summary of purchase orders (not the individual purchase orders themselves) issued by Town of Edgecomb from March 1, 2026 to July 31, 2026.

This report may also be referred to as an accounts payable summary, check summary, check register, bill or claims report, or vendor analysis report. Any spreadsheet or report that lists vendor names and amounts paid would be fully responsive to this request.

If available, please include:

-Vendor name
-Description of purchase or payment
-Total price or amount paid

If vendor names are coded, please include the code key if it's easily available. We're happy to accept whatever form this data is already maintained in — raw exports or standard reports (Excel, CSV, or PDF) are perfectly fine. We will accept partial data if you do not have a document with

each of the above components or the entire timeframe requested.

If another department is better suited to handle this request, I'd appreciate it if you could forward it to them or share their contact information.

If any part of this request is withheld, please provide the specific statutory exemption and release all non-exempt portions.

To ensure prompt follow-up, please send any correspondence regarding clarifications, extensions, online portal access, and response letters through email only to records@sunlightaccess.com and reference: FR:127453

MAINE FREEDOM OF ACCESS ACT REQUEST

135 Main Street, Pittsfield, Maine — Dangerous-Building / Dangerous-Conditions Proceedings

September 4, 2026

VIA EMAIL AND U.S. MAIL

Nicole Nickolan, Town Clerk / Custodian of Municipal Records
Town of Pittsfield

Pittsfield, Maine 04967
Email: clerk@pittsfield.org

Re: Maine FOAA request, 1 M.R.S. §§ 400–414 — 135 Main Street; Nathan Reardon; Ultimate Property Holdings LLC; dangerous-building/dangerous-conditions proceedings

Dear Ms. Nickolan:

Pursuant to Maine's Freedom of Access Act ("FOAA"), 1 M.R.S. §§ 400–414, I request access to and copies of the public records described below concerning 135 Main Street, Pittsfield, Maine, Nathan Reardon, Ultimate Property Holdings LLC, and the Town's dangerous-building, dangerous-conditions, code-enforcement, administrative, legal, and related proceedings concerning that property.

1. TIME PERIOD

Please search records from November 1, 2025 through the date the Town completes its search. This start date intentionally precedes my December 2025 acquisition of the property so that the production captures any pre-acquisition discussions, complaints, inspections, plans, or decisions concerning the property.

2. RECORDS REQUESTED

1. **Complete 135 Main Street municipal file.** The complete Town file concerning 135 Main Street, including inspection records, photographs, videos, reports, permits, complaints, notices, orders, citations, memoranda, code provisions, correspondence, hearing materials, staff notes, property records, corrective-action demands, dangerous-building or dangerous-conditions materials, and all documents used or considered in making any determination concerning the property.
2. **Origin of the dangerous-conditions proceeding.** All records showing when, why, by whom, and on what factual or legal basis the Town first considered, proposed, recommended, initiated, authorized, or pursued a dangerous-building or dangerous-conditions proceeding concerning 135 Main Street after its acquisition in December 2025.
3. **February 2026 hearing.** All records concerning the dangerous-building/dangerous-conditions hearing believed to have first occurred in or about February 2026, including notices, agendas, packets, exhibits, photographs, inspection reports, staff recommendations, legal advice to the extent non-privileged, minutes, recordings, transcripts, attendance records, votes, findings, orders, and communications before and after the hearing.
4. **Jack Clukey records.** All records created, sent, received, reviewed, forwarded, maintained, or stored by Town Manager Jack Clukey that mention or concern Nathan Reardon, Ultimate Property Holdings LLC, 135 Main Street, the dangerous-building/dangerous-conditions process, enforcement strategy, hearings, litigation, communications with counsel, or municipal action concerning the property.

5. **Internal communications.** All communications concerning Nathan Reardon, Ultimate Property Holdings LLC, or 135 Main Street among the Town Manager, Code Enforcement Officer, Police Chief or police personnel, Fire Chief or fire personnel, Town Clerk, Town Council members, Planning Board, Board of Appeals, assessor, other Town personnel, contractors, consultants, and attorneys.
6. **External communications.** All communications concerning Nathan Reardon, Ultimate Property Holdings LLC, or 135 Main Street between Pittsfield officials/personnel and any outside person or entity, including Dover-Foxcroft officials or personnel; Thomas or Tom Lizotte; Andrew Lizotte; Eaton Peabody; Katahdin Law; Bangor Daily News or Bangor Publishing Company; federal agencies or officials; Maine state agencies; other municipalities; insurers; lenders; contractors; engineers; inspectors; or private complainants.
7. **Dover-Foxcroft communications.** All communications between any Pittsfield official, employee, attorney, agent, or contractor and any Dover-Foxcroft official, employee, attorney, agent, or contractor that mention Nathan Reardon, Ultimate Property Holdings LLC, 135 Main Street, 117 Somerset Avenue, Choice Auto Sales, 19 Summer Street, litigation involving Nathan Reardon, or municipal enforcement involving Nathan Reardon.
8. **Lizotte communications.** All communications to, from, copied to, forwarded to, or memorializing communications with Thomas/Tom Lizotte or Andrew Lizotte that mention or concern Nathan Reardon, any Nathan Reardon business or property, 135 Main Street, 117 Somerset Avenue, Pittsfield enforcement, Dover-Foxcroft, or litigation involving Nathan Reardon.
9. **Outside counsel and legal billing.** Records sufficient to identify every attorney or law firm consulted, contacted, retained, or paid concerning 135 Main Street or Nathan Reardon, including engagement records, invoices, payment records, dates of service, attorney names, matter descriptions, and non-privileged billing entries. This request does not seek privileged legal advice, but does seek all reasonably segregable non-privileged information.
10. **Complaints, referrals, and sources.** All complaints, tips, reports, referrals, requests for inspection, or communications that caused or contributed to scrutiny, inspection, enforcement, or dangerous-building/dangerous-conditions proceedings concerning 135 Main Street, including records showing the date received, recipient, source to the extent public, substance, and action taken.
11. **Inspections and evidentiary basis.** All inspection reports, photographs, videos, measurements, engineering assessments, structural assessments, fire-safety assessments, code analyses, expert opinions, contractor estimates, repair estimates, notes, checklists, and other evidence relied upon or considered in characterizing any condition at 135 Main Street as dangerous, unsafe, hazardous, noncompliant, or requiring municipal action.
12. **Comparable-property and enforcement records.** Records sufficient to identify other Pittsfield properties subjected to dangerous-building or dangerous-conditions proceedings from January 1, 2023 through the present, including the nature of the alleged condition, dates of notices and hearings, time afforded for correction, municipal action taken, and ultimate disposition. Personal information lawfully exempt from disclosure may be redacted.
13. **Council and executive-session records.** All public agendas, minutes, packets, exhibits, recordings, and records reflecting the dates, attendees, and stated statutory basis of any executive session at which Nathan Reardon, Ultimate Property Holdings LLC, 135 Main Street, threatened or pending litigation involving them, or enforcement concerning the property was discussed. This does not request disclosure of material that is lawfully confidential.
14. **Communications concerning litigation or filing restrictions.** All non-privileged records mentioning Nathan Reardon's federal or state litigation, federal criminal case, appeals, civil lawsuits, filing history, Judge John Woodcock, any Cok filing restriction, or the fact that Nathan Reardon has filed claims or

actions against governmental entities, where those records were created, received, reviewed, or maintained in connection with Pittsfield's treatment of Nathan Reardon or 135 Main Street.

15. **Policies and procedures.** All policies, procedures, guidance, training materials, ordinances, written practices, or directives used from November 1, 2025 forward concerning dangerous buildings, dangerous conditions, inspections, notice, hearings, remediation opportunities, emergency action, conflicts of interest, selective enforcement, retaliation, communications with outside municipalities, and preservation of municipal electronic communications.
16. **Deletion, retention, and preservation.** Records reflecting the deletion, destruction, loss, expiration, archiving, retention, or inability to retrieve potentially responsive records, together with applicable record-retention policies and schedules.

3. SEARCH TERMS AND IDENTIFIERS

Please use reasonable variations and combinations of: "Nathan Reardon," "Reardon," "135 Main," "135 Main Street," "Ultimate Property Holdings," "UPH," "dangerous building," "dangerous conditions," "dangerous," "unsafe," "117 Somerset," "Clukey," "Dover," "Dover-Foxcroft," "Choice Auto," "19 Summer," "Lizotte," "Lazotte," "Eaton Peabody," "Katahdin Law," "Woodcock," and "Cok," together with known email addresses, telephone numbers, parcel identifiers, and business names associated with responsive records.

4. ELECTRONIC COMMUNICATIONS AND PERSONAL DEVICES

This request includes public records regardless of storage location, including Town email, archived email, municipal servers, cloud storage, text/SMS/MMS/iMessage, messaging applications, municipal phones, voicemail, and public records maintained on personal devices or accounts when used to conduct Town business.

5. PRODUCTION FORMAT

Please produce electronic records in native format when reasonably available, with available metadata preserved. Emails should include headers and attachments; photographs, audio, and video should be produced in their original electronic formats. Where native production is not reasonably available, searchable PDF is preferred.

6. FEES

Please provide an advance written estimate before incurring charges exceeding $25. If narrowing a category would materially reduce cost or production time, please contact me before excluding responsive material.

7. REDACTIONS / WITHHOLDINGS

For every withholding or redaction, please identify the specific statutory basis and produce all reasonably segregable non-exempt portions. Please do not withhold an entire record merely because a portion is exempt.

8. ROLLING PRODUCTION AND FOAA RESPONSE

Please acknowledge receipt within the period required by Maine FOAA, provide the required good-faith estimate of the time necessary to comply, and produce readily available responsive records on a rolling basis.

9. PRESERVATION NOTICE

Because these records concern pending and reasonably anticipated litigation, please preserve potentially responsive records, including electronically stored information, text messages, archived communications, photographs, audio/video, metadata, and public records located on devices or accounts used for Town business. This preservation request does not enlarge the substantive disclosure obligations imposed by FOAA.

If the Town believes any portion of this request requires clarification, please contact me promptly so that any issue can be resolved without unnecessary delay.

Thank you for your prompt attention to this request.

Respectfully submitted,

/s/ Nathan Reardon

Re: Request under Maine Freedom of Access Act, 1 M.R.S. §§ 400–414 — 117 Somerset Avenue; Nathan Reardon; municipal code-enforcement and police activity beginning in or about August 2024

Dear Ms. Nickolan:

Pursuant to Maine's Freedom of Access Act ("FOAA"), 1 M.R.S. §§ 400–414, I request access to and copies of the public records described below. This request concerns the Town of Pittsfield's code-enforcement, police, administrative, and related activity involving 117 Somerset Avenue, Pittsfield, Maine, including the visit to the property in or about August 2024 involving the Code Enforcement Officer and the Pittsfield Police Chief.

1. TIME PERIOD

Unless a category below states otherwise, please search records created, sent, received, maintained, or stored from July 1, 2024 through the date the Town completes its search for this request.

2. RECORDS REQUESTED

1. **Property and enforcement file.** The complete municipal file concerning 117 Somerset Avenue, including complaints, inspection records, inspection notes, photographs, videos, permits, applications, notices, warnings, citations, violation determinations, code interpretations, enforcement referrals, corrective-action requests, internal memoranda, property-history records, and documents reflecting any decision to inspect, visit, investigate, cite, monitor, or take enforcement action concerning the property.
2. **August 2024 visit and police participation.** All records concerning the visit to 117 Somerset Avenue in or about August 2024 involving the Code Enforcement Officer and the Pittsfield Police Chief, including records showing who requested or authorized the visit; why police participation was requested or considered necessary; the date and time; persons present; observations made; photographs, video, body-worn-camera or cruiser-camera recordings if any; dispatch/CAD records; call logs; incident or field-interview reports; officer notes; code-enforcement notes; and communications before, during, or after the visit.
3. **Communications concerning Nathan Reardon or 117 Somerset Avenue.** All communications in which Nathan Reardon or 117 Somerset Avenue is mentioned, referenced, discussed, attached, linked, or otherwise identifiable, including email, text messages, SMS/MMS, iMessage, messaging applications, letters, memoranda, handwritten notes, calendar entries, meeting notes, voicemail records, call logs, and communications made through personal devices or personal accounts to the extent used to conduct Town business.

4. **Communications among Town personnel.** All responsive communications involving any Town Manager, Assistant Town Manager, Code Enforcement Officer, Police Chief, police employee, Town Clerk, Town Council member, Town attorney, Planning Board member, Board of Appeals member, assessor, fire official, or other Town employee, official, agent, contractor, or consultant.
5. **Communications involving Jack Clukey.** All records created, sent, received, or maintained by Jack Clukey concerning Nathan Reardon, 117 Somerset Avenue, Ultimate Property Holdings LLC, or any enforcement, inspection, police, code, property, litigation, or municipal matter involving Nathan Reardon. This includes records received by Mr. Clukey after becoming Pittsfield Town Manager that concern events occurring before his appointment.
6. **External communications and referrals.** All communications concerning Nathan Reardon or 117 Somerset Avenue between Pittsfield personnel and any person or entity outside Pittsfield municipal government, including Dover-Foxcroft officials or employees; Thomas or Tom Lizotte; Andrew Lizotte; any employee or attorney of Eaton Peabody, Katahdin Law, or any other outside law firm; the Bangor Daily News or Bangor Publishing Company; any federal prosecutor, the U.S. Attorney's Office, U.S. Probation Office, FBI, IRS, U.S. Marshals Service, or other federal agency; any Maine state agency; any other municipality; or any private complainant.
7. **Communications with or about Dover-Foxcroft.** All records concerning communications between any Pittsfield official, employee, attorney, agent, or contractor and any Dover-Foxcroft official, employee, attorney, agent, or contractor that mention or concern Nathan Reardon, any business associated with Nathan Reardon, 117 Somerset Avenue, 135 Main Street, Choice Auto Sales, Ultimate Property Holdings LLC, or litigation involving Nathan Reardon.
8. **Complaints and complainant information.** All complaints, tips, reports, requests for inspection, referrals, or other information received concerning 117 Somerset Avenue or Nathan Reardon, together with records sufficient to identify when each complaint or referral was received, the manner in which it was received, to whom it was directed, and what action was taken. If the Town contends that any identifying information is exempt, please produce the non-exempt remainder and identify the legal basis for each redaction.
9. **Meeting, calendar, and telephone records.** All calendar entries, meeting invitations, agendas, notes, telephone logs, call-detail records maintained by the Town, and records of in-person or remote meetings concerning Nathan Reardon or 117 Somerset Avenue.
10. **Legal communications and outside-counsel records.** Records sufficient to identify any outside attorney or law firm consulted or retained concerning Nathan Reardon or 117 Somerset Avenue, including engagement records, non-privileged billing records, invoices, payment records, dates of service, attorney names, matter descriptions, and non-privileged portions of communications. I am not requesting privileged legal advice, but I do request all reasonably segregable non-privileged material and records establishing the existence, participants, dates, subject matter, and billing of legal services to the extent disclosure is required by law.
11. **Policies and comparators.** Policies, procedures, directives, training materials, written practices, or guidance in effect from July 1, 2024 forward concerning code-enforcement inspections accompanied by police; police attendance at civil/code inspections; dangerous or unsafe buildings; property inspections; complaint handling; selective or priority enforcement; conflicts of interest; and communications using personal devices or accounts for municipal business.
12. **Retention, deletion, and preservation records.** Any record reflecting deletion, destruction, loss, automatic expiration, retention, archiving, or inability to retrieve records responsive to this request, including applicable retention schedules and policies.

3. SEARCH TERMS AND IDENTIFIERS

To facilitate a complete electronic search, please use reasonable variations of the following terms and identifiers, individually and in combination as appropriate: "Nathan Reardon," "Reardon," "117 Somerset," "117 Somerset Avenue," "Ultimate Property Holdings," "UPH," "135 Main," "135 Main Street," "Choice Auto," "Choice Auto Sales," "Dover," "Dover-Foxcroft," "Clukey," "Lizotte," "Lazotte," "Eaton Peabody," "Katahdin Law," and the known email addresses, telephone numbers, business names, and property identifiers associated with the responsive records.

4. ELECTRONIC RECORDS / PERSONAL DEVICES

The request includes public records regardless of where they are stored. Please include responsive Town-business communications maintained in Town email systems, archived mailboxes, servers, cloud storage, municipal phones, text-message systems, and, to the extent they contain public records, personal accounts or devices used by Town officials or employees to conduct municipal business.

5. FORMAT

Please provide records electronically in their native format when reasonably available. Emails should be produced with available header information and attachments. Photographs, audio, and video should be produced in their original electronic formats. For records that cannot reasonably be produced natively, searchable PDF is preferred. Please preserve reasonably available metadata, including sender, recipient, date/time, subject, filename, and attachment relationships.

6. FEES

Please provide an advance written estimate before incurring charges exceeding $25. If the Town believes narrowing or clarifying any portion of this request would materially reduce cost or production time, please contact me before excluding responsive categories.

7. WITHHOLDINGS AND REDACTIONS

If any record or portion of a record is withheld or redacted, please identify the specific statutory basis for the withholding or redaction and produce all reasonably segregable non-exempt portions. Please do not withhold an entire record merely because a portion may be exempt.

8. ROLLING PRODUCTION AND ACKNOWLEDGMENT

Please produce readily available responsive records on a rolling basis rather than delaying the entire production until every category has been reviewed. Please acknowledge receipt within the period required by Maine FOAA and provide the required good-faith estimate of the time necessary to comply.

9. PRESERVATION NOTICE

Because these records concern existing and reasonably anticipated litigation and governmental disputes, please preserve potentially responsive records pending completion of this request, including electronically stored information, text messages, archived communications, photographs, audio/video, metadata, and records on devices or accounts used for Town business. This paragraph is intended as a preservation request and does not expand the scope of records that FOAA requires the Town to produce.

This request is intended to obtain public records and should be construed to facilitate disclosure. If you believe any portion is ambiguous, please contact me so that the issue can be resolved without unnecessary delay.

Thank you for your prompt attention to this request.

Respectfully submitted,

/s/ Nathan Reardon

Good morning,
I've attached samples of The Data Branch requests that may be generated by AI. I only suspect this due to the frequency, repetitiveness, and very prompt response to my replies.

I am curious to see what comes of your committee's work.

Thank you,
Tammy

Good morning,

Attached are FOAA requests that I believe are AI generated.

These requests take significant staff time, from the FOAA Officer managing all the estimates, responding to the requester who wants the information right off, to status updates to the departments, and sometimes multiple people in departments gathering the requested information. Then when the estimate is sent to the requester, they want to then pare down the request and ask for another estimate based on the new criteria, till it gets to an amount that they are willing to pay or "Free". Also, one of the requests asked for no duplicate records. The city doesn't have time to go through and ensure there are no duplicate records.

When I started with the city many moons ago, if someone wanted a record, they would stop by the department and ask for it. If they were refused the record, then they would request it under FOAA. Now, every time someone wants any record, they request it under the FOAA and it's taking allot more of the FOAA Officer's time to be involved in the daily work of every department.

Subject: Public Records Request — 69 Louden Road, Saco, ME

[CAUTION: THIS EMAIL ORIGINATED FROM OUTSIDE THE CITY OF SACO DOMAIN]

Hello,

I'm researching a potential purchase of 69 Louden Road, Saco, Maine (MLS 1683757, listed as Lot 17-2) and would like to obtain electronic copies of all publicly available property records.

Specifically, I'm requesting:

- Current property record card and tax parcel map
- Any boundary surveys, plot plans, site plans, or subdivision plans
- Deed references and recorded easements or rights-of-way
- Building, electrical, plumbing, pool, and accessory-building permits
- Certificates of occupancy and any outstanding code violations
- Septic system design, installation, and inspection records
- Well records, if maintained by the city
- Wetlands, floodplain, shoreland, or other environmental mapping
- Planning Board applications, approvals, and decisions associated with the parcel
- Any records relating to previous or proposed subdivision of the property

Please provide electronic copies where available, or let me know which departments maintain these records and whether any fees apply.

Thank you.

Andrew

FOAA Request – Academy Place and 485 Main Street land-use records

From Carly Wittman <carlywittman@gmail.com>
Date Thu 8/27/2026 7:20 AM
To Michele Hughes <MHughes@sacomaine.org>

[CAUTION: THIS EMAIL ORIGINATED FROM OUTSIDE THE CITY OF SACO DOMAIN]

Dear City Clerk:

Pursuant to Maine's Freedom of Access Act, I request electronic copies of the existing public records identified below concerning:

1. **Academy Place Condominium, Saco — Tax Map 33, Lot 4**, including the condominium property and common land associated with Academy Place; and
2. **485 Main Street, Saco — the Biddeford Saco Dental Associates property**, historically associated in City records with Tax Map 33, Lot 7, together with any successor, merged, renumbered, or related parcel relevant to that development, including former Map 33, Lot 4-1 where applicable.

I am requesting existing records only and am not asking the City to create a report, conduct legal research, or provide a legal opinion.

1. Academy Place — approved land-use records

Please provide:

- the original final approved site plan, subdivision/condominium plan, and any final approved amendments or revised plan sets for Academy Place;
- Planning Board or other municipal decisions, approval letters, and conditions of approval applicable to Academy Place;
- approved plans or conditions identifying landscaping, wooded or vegetated buffers, screening, fencing, setbacks, open space, no-disturbance areas, or vegetation required to remain;
- any subsequent approved amendment, waiver, modification, release, enforcement notice, or written municipal determination concerning those landscaping, buffer, screening, fencing, setback, open-space, or vegetation requirements; and
- any municipal plan, permit, approval, or certificate of occupancy relating specifically to the structure shown on Academy Place plans as **"OFFICE."**

For this section, I seek final or operative municipal records from the original approval of Academy Place through the present. I am **not** requesting every historical draft, routine internal email, or

duplicate copy of those records.

2. 485 Main Street dental property — approved land-use records

Please provide:

- the final approved site plan and final approved plan set for the dental-office development at 485 Main Street;
- the final Contract Zone Agreement and all amendments applicable to that property;
- Planning Board and City Council decisions, findings, approval letters, and conditions applicable to the dental development;
- final approved landscaping, screening, buffer, fencing, access, parking, circulation, utility, drainage, and boundary plans;
- final documents or approved plans governing shared parking, common or interconnected access, rear access drives, or easements associated with the dental property; and
- any subsequent approved amendments or modifications to the foregoing through the present.

For this section, I am likewise requesting the final or operative records rather than every draft or duplicate.

3. Recent records involving Academy Place and the dental property together

For the period **January 1, 2024 through the present**, please provide any existing application, pre-application submission, sketch, plan, survey, staff memorandum, meeting note, written request, or email in the City's possession concerning a proposed transaction or physical/property arrangement between Academy Place and the owner, developer, representative, or occupant of 485 Main Street involving any of the following:

- purchase, sale, conveyance, or transfer of Academy Place land;
- lot-line or boundary adjustment;
- easement, lease, license, or other right to use Academy Place property;
- shared parking or additional parking;
- pedestrian or vehicle access, driveway, or interconnection;
- utility or drainage rights;
- use of the Academy Place office/administrative-office area;
- removal or alteration of trees, landscaping, fencing, screening, or the wooded buffer between the properties; or
- any municipal application, inquiry, or requested interpretation concerning such an arrangement.

To keep any electronic search focused, relevant search terms may include:

"Academy Place," "Academy Place Condominium," "APCA," "485 Main," "Biddeford Saco Dental," "Foresite Realty," "shared access," "shared parking," "easement," "buffer," "lot line," "boundary," and "land purchase."

This section is intended to capture communications concerning a possible arrangement **between these two properties**, not unrelated matters concerning either property.

4. Parcel-identification records

Please also provide the current City tax map or assessor/property-record documents sufficient to identify:

- the current parcel designation(s) applicable to Academy Place; and
- the current parcel designation and owner of record for 485 Main Street and any parcel into which former Map 33, Lot 7 or Map 33, Lot 4-1 has been merged or renumbered.

Format and cost control

Please provide records electronically in their existing electronic format where reasonably available.

If responsive records are maintained by Planning, Code Enforcement, Assessing, Public Works, Administration, or another City office, please route this request to the appropriate custodian as necessary.

Please **do not incur charges exceeding $25 without my prior written authorization**. If you anticipate charges above that amount, please first provide the estimated cost and identify which numbered portion of this request is expected to generate the additional cost so that I may narrow it.

If the request can be produced in stages, please provide readily available final approvals, approved plans, decisions, and assessor records first rather than delaying those records while a search for the more recent communications is completed.

If any responsive record or portion of a record is withheld, please provide the applicable written denial and statutory authority for the withholding as required by Maine law.

Please acknowledge receipt of this request.

Thank you,

Carly Wittman

FW: Property Records Request – 540 Ferry Road, Saco (Map 4, Lot 29-1)

From Sean McCarthy <SMcCarthy@sacomaine.org>
Date Tue 10/27/2026 7:45 AM
To Michele Hughes <MHughes@sacomaine.org>

Hey Michele,
Here's another FOAA. This one is asking for a lot. Just for the information Assessing maintains, I'd estimate 6 hours as this request (as I read it) is asking for the commitment book entry for this parcel for every year we have. Our commitment books go back to somewhere in the 1960's, so that's at least 60 years of records to dig through and photocopy.
On a side note, these single-parcel FOAA's seem to be growing more frequent. I remember these being pretty uncommon previously and now we're getting multiple back to back!

Subject: Property Records Request – 540 Ferry Road, Saco (Map 4, Lot 29-1)

[CAUTION: THIS EMAIL ORIGINATED FROM OUTSIDE THE CITY OF SACO DOMAIN]

Hello,

I am the current owner of 540 Ferry Road in Saco (Map 4, Lot 29-1), and I'm hoping to obtain a comprehensive history of the property from the city's available records.

I'm researching the property's history, including when the lot was originally established, its development over time, and the permitting history of the house and surrounding improvements.

I would appreciate any records the city maintains relating to the following:

1. Property and Lot History

- The earliest available records identifying the property as a separate parcel.
- Any documentation showing when and how the lot was originally created or subdivided.
- Historical tax assessment records, property cards, maps, and lot descriptions.
- Historical ownership records or references to earlier deeds.
- Any records showing changes to the property's boundaries, acreage, frontage, or zoning classification.
- Historical maps or plans showing Ferry Road and its right-of-way, particularly records establishing its status as a public road before March 19, 1974.

2. Building and Development Permits

- All available building permits, applications, approved plans, inspections, and certificates of occupancy.
- Records relating to the original residence, reportedly constructed around 1942.
- Permits for additions, renovations, garages, sheds, decks, patios, swimming pools, fences, or other accessory structures.
- Any site plans, plot plans, or surveys submitted with previous permit applications.
- Any permit denials, conditions of approval, variances, or other land-use decisions involving the property.

3. Driveway and Access History

- All driveway entrance, curb-cut, access, paving, or expansion permits.
- Copies of approved driveway plans, applications, inspection records, and related correspondence.
- Records showing the property's historical access from Ferry Road or adjoining rights-of-way.
- Any documentation concerning the existing driveway's location, dimensions, or subsequent modifications.

4. Zoning and Environmental Records

- Historical and current zoning designations applicable to the property.
- Any zoning determinations, setback interpretations, nonconforming-use determinations, or lot-coverage calculations.
- Records relating to floodplain, shoreland, stormwater, or other environmental permitting requirements.
- Any correspondence or referrals involving the Saco River Corridor Commission concerning this property.

5. Enforcement and Property Compliance

- Any notices of violation, complaints, inspection reports, enforcement actions, or corrective orders associated with the property.
- Records of any prior requests for after-the-fact permits or approvals.
- Any records documenting whether existing improvements were reviewed or approved by the city.

6. Historical Property Documentation

- Historical aerial photographs, site photographs, or maps maintained by the city.
- Historical assessment sketches or measurements showing buildings, driveways, patios, pools, and other improvements.
- Any other records that may help establish the property's historical development and legally existing conditions.

I understand that records this old may be incomplete or maintained across several departments. I would appreciate having this request directed to the appropriate staff in Planning, Code Enforcement, Assessing, Public Works, or any other relevant department.

Please treat this as a public records request under Maine's Freedom of Access Act, to the extent applicable.

Electronic copies are preferred. If fulfilling the complete request would involve substantial fees, please provide an estimate before proceeding.

If some historical records are not available, I would appreciate knowing whether they may be maintained by another agency, such as the York County Registry of Deeds.

Thank you for your assistance. I appreciate any information you can provide about the history and development of this property.

Best regards

Hello,

The Data Branch is submitting a public records request for records relating to vendor purchases.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from: CivicPlus, Inrix, Replica, Streetlight Data, Hoover, Karcher, Nascare, Sanitaire.

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

This request covers records such as:

- Contracts, service agreements, order forms
- Purchase orders relating to the listed vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

We are flexible on format and can accept records in whichever way your office already keeps them, such as:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any existing summary-level purchasing records your office already maintains

If any part of the requested records is exempt, kindly redact only the exempt material and provide the remaining segregable portions.

For full transparency, this request *is* for commercial purposes. We will gladly adhere to any policies or procedures Caratunk has in place for public records requests, and are open to narrowing, clarifying, or modifying the request to make fulfillment easier on your end.

Please send responsive records by replying to this email or to Claire Brooks at the following:

Email: claire@databranchusa.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

Thank you in advance for your time and attention. If this request has reached the wrong agency or department, please let us know or forward it to the appropriate records custodian. We appreciate your cooperation.

Best regards,

Claire Brooks

Here is a collection of financial FOAA requests from Ai systems in Cape Elizabeth. My point of view really isn't with the AI but more with using FOAA for data mining for profit. I am happy to deal with the citizen looking for transparency. But even before before AI existed, we had companies using people to constantly datamine us for information that they can turn around to sell. If FOAA is allowed for data mining, we should be able to charge $100000+s for the data.

Under Maine's Freedom of Access law, documents - including e-mail - about school district business are classified as public records and may be subject to disclosure.

Dear Records Custodian,

The Data Branch is submitting a public records request for records pertaining to vendor procurement and purchasing activity.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from: CalAmp, Motive, Samsara, National Time & Signal, and Pyramid Time Systems

We are interested in records from 2022 to the present that document the financial terms of any engagement with the vendors listed above. Where available, this may include per-unit pricing, subscription or licensing fees, and any implementation or onboarding costs.

This request covers records such as, if readily available:

- Contracts, service agreements, order forms
- Purchase orders relating to the listed vendors
- RFPs or awarded vendor documents
- Task orders issued against cooperative purchasing agreements

If it would be easier to start with a comprehensive PO list or approved vendor list, we are happy to begin there rather than conducting a broader initial search.

To make fulfillment as easy as possible, we are willing to receive records in whatever format is most convenient, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already keeps on hand

If portions of the requested records are exempt from disclosure, please provide all segregable non-exempt portions.

This request *is* being made for commercial purposes. We are committed to complying with any applicable procedures Fort Williams Mil. Resv follows for public records requests, and we are happy to refine or scope down the request if that would make fulfillment more manageable.

Please send responsive records by replying to this email or to Scarlett Perry at the following:

Email: scarlett@databranchusa.com

Phone: (302) 585-3132

Address: 2810 N Church St STE 89774, Wilmington, DE 19802

Thank you in advance for your time and attention. If this request has reached the wrong agency or department, please let us know or forward it to the appropriate records custodian. We appreciate your cooperation.

Sincerely,

Scarlett Perry

Dear Records Custodian,

The Data Branch is submitting a public records request for records pertaining to vendor procurement and purchasing activity.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from: Brycer the Compliance Engine, ESO Records Management System, ImageTrend, IROL, and Vector Solutions

We hope to obtain records from 2022 to the present reflecting how these engagements are priced — for example, licensing or subscription structures, per-unit rates, and any associated implementation or setup fees.

Relevant records may include, if readily available:

- Contracts, service agreements, and order forms
- Purchase orders involving the above vendors
- RFPs or awarded vendor documents
- Task orders issued under cooperative purchasing agreements

Should a comprehensive PO list or approved vendor list help streamline fulfillment, please feel free to provide that instead of conducting a broader search at the outset.

If portions of the responsive records fall under an exemption, please withhold only those portions and produce the rest.

This request *is* being made for commercial purposes. We are committed to complying with any applicable procedures Fort Williams Mil. Resv follows for public records requests, and we are happy to refine or scope down the request if that would make fulfillment more manageable.

Hi,

I hope this message finds you well. I am writing to follow up on my Purchase Record Request sent on 05/13/2025. It has been some time since I sent the request, and I have not yet received a response.

Could you please provide me with an update on the status of my request and when I can expect to receive the requested information?

I am requesting a standard report that can be generated relatively quickly from the bookkeeping system. The report must include vendor name, purchase description, purchase date and total price paid for all purchases, similar to what many towns and counties and schools share. For your reference I have attached few samples,

Your prompt attention to this matter would be greatly appreciated. Thank you for your assistance.

We are interested in the following details for purchases from your record keeping system for the given period. This data can be quickly exported in a purchase order or vendor history report from the accounting system by your finance team.

We are interested in the following details for all purchases from your record keeping system:

- Vendor Number or Vendor ID
- Vendor Name
- Identifier for each purchase, such as purchase order number(PO#) or, alternatively, an invoice or check number
- Purchase Date
- Line item details or description of each purchase
- Line item quantity
- Line Item price

Additionally, if there are any fees associated with processing this request, please inform me in advance if the costs will exceed "$100". Let us know if samples are needed.

Please do not hesitate to reach out to me if you have any questions.

Good Afternoon Blake & Megan,

Thank you for your Freedom of Access Act (FOAA) request, received on June 15, 2026. This message acknowledges receipt of your request in accordance with Maine's FOAA requirements.

Kristie Bradbury, the Director of Finance, will assist you with this request. I have cc'd her on this email.

Your request: "

To the extent you are able to disclose, please provide all purchase orders within the past 3~ years issued by your agency within the date range above, across all departments and offices if readily available/and or existing.

If your office does not maintain a centralized report, we are glad to accept:

- *Department-level or segmented purchasing data*
- *Any readily available reports*
- *Records grouped by department, if that is how they are stored*

Fields of interest (where readily available):

- *Purchase order number (or equivalent)*
- *Purchase date*
- *Vendor ID or name*
- *Department or issuing entity (if available)*
- *Line item description*
- *Quantity*
- *Unit price*
- *Total price*

We are glad to accept records in whatever format your office finds easiest to produce, including:

- *Spreadsheet exports (preferred)*
- *PDF or Word documents*
- *Standard ERP or finance system reports*
- *Any summary-level purchasing records already maintained by your office*

Where portions of the requested records may be withheld under an applicable exemption, we ask that all reasonably segregable non-exempt portions still be produced.

For full transparency, this request is for commercial purposes. We will gladly adhere to any policies or procedures CAPE ELIZABETH POLICE DEPARTMENT has in place for public records requests, and are open to narrowing, clarifying, or modifying the request to make fulfillment easier on your end.

Records should be sent to Megan Warren, who handles intake on behalf of The Data Branch, at the following:

Email: megan.warren@thedatabranch.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904"

We are currently reviewing your request to identify records that may be responsive. Please be aware that while FOAA ensures access to many public records, some materials may be exempt from disclosure under the law. Any such exemptions will be applied appropriately.

If the requested records are readily available and eligible for release under FOAA, we will provide them promptly. If additional time is needed to gather, review, or determine the releasability of the information, we will keep you informed of our progress and provide an estimated timeframe for response.

The Town of Cape Elizabeth charges fees as allowed by State law.

Fees: Depending on the size of the files, emails may be downloaded to a thumb drive. Cost of thumb drive $2.40. If possible, the file is emailed. There is no charge for time spent (by all involved) responding to the request for the first 2 hours; however, thereafter, it is $25.00 per hour. Hard copies of documents are $ .10 per page for a standard black/white 8 1/2 x 11 page; additional charges for color copies and larger paper sizes. These fees may or may not apply to your request; however, in the interest of transparency, we like to let requestors know ahead of time.

We will proceed with your request unless we hear from you otherwise.

If you have any questions or wish to clarify your request, please feel free to contact me.

Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from: Axon and Motorola

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

The types of records we are interested in include:

- Contracts, service agreements, and order forms
- Purchase orders associated with the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

We are flexible on format and can accept records in whichever way your office already keeps them, such as:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any existing summary-level purchasing records your office already maintains

Should any portion of the requested records be exempt from disclosure, please release the segregable non-exempt portions.

This request *is* being submitted for commercial purposes. We are willing to work within whatever procedures Cape Elizabeth Police Department uses for handling such requests, and are happy to clarify, narrow, or adjust the scope to reduce the burden on your office.

Please send responsive records by replying to this email or to Ryan Baker at the following:

Email: ryan@databranchusa.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

Thank you for your attention to this request and we look forward to a prompt reply. If this office is not the correct custodian, please forward the request to the right agency or department, or advise us where to direct it. We appreciate your cooperation.

Thank you,

Ryan Baker

Dear Records Custodian,

The Data Branch is submitting a public records request for records pertaining to vendor procurement and purchasing activity.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from CDW-G, AG Parts, K-12 Tech, and Vivacity Tech

Our goal is to identify records from 2022 to now that show the pricing arrangements associated with these vendors, such as licensing or subscription terms, per-unit costs, and any implementation or setup fees that may apply.

We are looking for the following types of records:

- Contracts, service agreements, order forms
- Purchase orders relating to the above vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

To make fulfillment as easy as possible, we are willing to receive records in whatever format is most convenient, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already keeps on hand

If portions of the responsive records fall under an exemption, please withhold only those portions and produce the rest.

This request *is* being submitted for commercial purposes. We are willing to work within whatever procedures Cape Elizabeth Public Schools uses for handling such requests, and are happy to clarify, narrow, or adjust the scope to reduce the burden on your office.

Dear Records Custodian,

The Data Branch is submitting a public records request for records pertaining to vendor procurement and purchasing activity.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from: Apptegy, Finalsite, ParentSquare, SchoolMessenger, and Blackboard Inc

We are looking for records from 2022 to now that capture the pricing details of any engagement, which may include (where applicable) subscription terms, licensing fees, per-unit costs, and implementation charges.

The types of records we are interested in include:

- Contracts, service agreements, and order forms
- Purchase orders associated with the above vendors
- RFP or solicitation documents
- Task orders issued under cooperative purchasing agreements

We are flexible on format and can accept records in whichever way your office already keeps them, such as:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any existing summary-level purchasing records your office already maintains

If any part of the requested records is exempt, kindly redact only the exempt material and provide the remaining segregable portions.

This request *is* for commercial purposes. We are happy to comply with all applicable policies and procedures Cape Elizabeth Public Schools has in place to handle FOIA requests, and are willing to narrow down, clarify, or adjust the request to make fulfillment easier for your office.

Records should be sent to Donovan Downey, who handles intake on behalf of The Data Branch, at the following:

Email: donovan.downey@thedatabranch.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

Thank you in advance for your time and attention. If this request has reached the wrong agency or department, please let us know or forward it to the appropriate records custodian. We appreciate your cooperation.

Best regards,

Mitchell Vaughn

Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from: CDW Government, Xerox, and MGT Impact Solutions (MGT Consulting), as well as College and Career Readiness from Lead Public Schools

We are interested in records from 2022 to now that document the financial terms of any engagement with the vendors listed above. Where available, this may include per-unit pricing, subscription or licensing fees, and any implementation or onboarding costs.

Specifically, we are seeking:

- Contracts, service agreements, or order forms
- Purchase orders tied to the listed vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

We are glad to accept records in whatever format your office finds easiest to produce, including:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records already maintained by your office

Should any portion of the requested records be exempt from disclosure, please release the segregable non-exempt portions.

This request *is* being submitted for commercial purposes. We are willing to work within whatever procedures Cape Elizabeth Public Schools uses for handling such requests, and are happy to clarify, narrow, or adjust the scope to reduce the burden on your office.

All responsive records may be directed to Ellery Durfee, our record intake contact, at the following:

Email: ellery.durfee@thedatabranch.com

Phone: (302) 585-3132

Address: 1111B S Governors Ave STE 21033, Dover, DE 19904

We look forward to your timely response and appreciate your attention to this request. Should it have been directed to the wrong agency or department, please advise or pass it along to the appropriate custodian. Thank you for your cooperation.

Sincerely,

Tristan Mercer

Dear FOIA Officer,

Pursuant to the Maine Freedom of Access Act, I am requesting access to and copies of the following public records possessed by Town of Cape Elizabeth:

All purchase orders and/or payment records for non-person/vendor entities, such as companies, organizations, or contractors from January 1, 2025 to current date. Records should include, at minimum:

- Purchase date
- Vendor name
- Line item description

- Line item quantity
- Line item Amount

If vendor names are coded in the file, please provide a vendor list with corresponding codes.

Examples of relevant reports/records may include: check registers, procurement reports, standard PO detail reports, warrant/claims reports, and purchase order history reports, among others.

This request excludes any purchase orders or payments issued to staff, employees, or individuals for payroll, reimbursements, stipends, or other personnel-related expenses.

I am requesting existing, already maintained electronic records (without copying, scanning, or printing).

If this request was misrouted, please forward to the correct contact person and reply to this communication with the appropriate contact information.

Should this request be denied wholly or partially, please provide a detailed justification for each decision, citing specific exemptions. Additionally, I request that all segregable portions of otherwise exempt material be provided.

Should you need further information or clarification to expedite this request, do not hesitate to reach out.

Thank you for your attention and cooperation. I look forward to your prompt response within the statutory period.

Sincerely,

Justin Wenig

Dear Public Records Officer,

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

The Data Branch is hereby submitting a public records request for vendor procurement records.

Scope of Request:

We are requesting all executed contracts, agreements, purchase orders, and related procurement documents for products or services purchased from any of the following vendors or their authorized resellers, for the period January 1, 2021, to the present:

All products from: Blackboard Inc, Finalsite, DMX, Funds for Learning, E-Rate Consulting, N-Able, Raptor Technologies, and/or CSM Consulting

We are seeking records that reflect the pricing structure of any such engagement, including per-unit costs, subscription or licensing terms, and implementation fees.

Requested Records (if readily accessible):

Please include any of the following that your agency maintains:

- Executed contracts, master service agreements, or order forms
- Purchase orders relating to the requested documents
- RFP or solicitation documents, including vendor responses and evaluation materials
- Task orders issued against cooperative purchasing agreements (e.g., Sourcewell, NASPO, OMNIA, or state contract vehicles)

Preferred Format & Delivery:

We understand recordkeeping systems vary across agencies. We are fully willing to receive:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports
- Any summary-level purchasing records your office already maintains

Commercial Nature & Flexibility:

This request is for commercial research purposes. We are happy to comply with all applicable policies and procedures and are willing to narrow, clarify, or adjust the request to make fulfillment easier for your office.

Please send all records to my colleague Addisyn Doyle at the following:

Email: addisyn.doyle@thedatabranch.com

Good Morning,
Thank you for your Freedom of Access Act (FOAA) request, received on March 16, 2026. This message is to acknowledge receipt of your request in accordance with Maine's FOAA requirements.

Kristie Bradbury, Cape Elizabeth Finance Director, will be able to assist you with this request. I have cc'd her on this email.
Your request:
"We are interested in the following details for all purchases from your record-keeping system:

- Vendor Number or Vendor ID
- Vendor Name
- Identifier for each purchase, such as purchase order number(PO#) or, alternatively, an invoice or check number
- Purchase Date
- Line item details or description of each purchase
- Line item quantity
- Line Item price"

We are currently reviewing your request to identify records that may be responsive. Please be aware that while FOAA ensures access to many public records, some materials may be exempt from disclosure under the law. Any such exemptions will be applied appropriately.

If the requested records are readily available and eligible for release under FOAA, we will provide them promptly. If additional time is needed to gather, review, or determine the releasability of the information, we will keep you informed of our progress and provide an estimated timeframe for response.

The Town of Cape Elizabeth charges fees as allowed by State law.

Fees: Depending on the size of the files, emails may be downloaded to a thumb drive. Cost of thumb drive $2.40. If possible, the file is emailed. There is no charge for time spent (by all involved) responding to the request for the first 2 hours; however, thereafter, it is $25.00 per hour. Hard copies of documents are $ .10 per page for a standard black/white 8 1/2 x 11 page; additional charges for color copies and larger paper sizes. These fees may or may not apply to your request; however, in the interest of transparency, we like to let requestors know ahead of time.

We will proceed with your request, unless we hear from you otherwise.

If you have any questions or wish to clarify your request, please feel free to contact me.

Sincerely,
Angela

Good Afternoon Justin,

Thank you for your Freedom of Access Act (FOAA) request, originally sent to an employee on July 14th, 2026. Please accept my sincere apology for the delay in response. Update your records to list Melissa Newsome, melissa.newsome@capeeelizabeth.gov as the current FOAA Officer for the Town of Cape Elizabeth moving forward as Angela Frawley is no longer involved in the FOAA process.

This message is to acknowledge receipt of your request.

Kristie Bradbury, the Finance Director, will be able to assist you with this request. I have cc'd her on this email.

Your request:
" Dear Public Access Officer,

Pursuant to the Maine Freedom of Access Act (1 M.R.S. § 408-A), I am requesting existing electronic records maintained by Town of Cape Elizabeth reflecting payment records for all vendor entities (companies, organizations, contractors, and other non-person payees) from January 1, 2026 to current date, including at minimum:

- Purchase date
- Vendor name
- Line-item description
- Line-item amount

If vendor names are coded, please include the existing vendor list/key.

Examples of responsive records: AP vendor history, check register, procurement report, PO detail report, warrant/claims report, PO history report. These are illustrative only. Any existing report containing the requested fields is responsive. I am not requesting creation of a new record.

This request concerns non-person transactions. If personnel payments (payroll, stipends, reimbursements) appear in the same report, no separation is needed; the report as-is fulfills this request.

I am requesting existing electronic records only (no copying, scanning, or printing).

If misrouted, please forward to the correct contact and reply with that contact's information.

If denied in whole or part, please cite the specific exemption for each denial and provide all segregable non-exempt portions.

Please reach out if any clarification would help expedite this request.

Thank you for your attention and cooperation.

Sincerely,

Justin Wenig

We are currently reviewing your request to identify records that may be responsive. Please be aware that while FOAA ensures access to many public records, some materials may be exempt from disclosure under the law. Any such exemptions will be applied appropriately.

If the requested records are readily available and eligible for release under FOAA, we will provide them as soon as possible. If additional time is needed to gather, review, or determine the releasability of the information, we will keep you informed of our progress and provide an estimated timeframe for response.

The Town of Cape Elizabeth charges fees as allowed by State law.

Fees: Depending on the size of the files, emails may be downloaded to a thumb drive. Cost of thumb drive $2.40. If possible, the file is

emailed. There is no charge for time spent (by all involved) responding to the request for the first 2 hours; however, thereafter, it is $25.00 per hour. Hard copies of documents are $ .10 per page for a standard black/white 8 1/2 x 11 page; additional charges for color copies and larger paper sizes. These fees may or may not apply to your request; however, in the interest of transparency, we like to let requestors know ahead of time.

We will proceed with your request, unless we hear from you otherwise.

Hello,

I am writing to follow up on this request dated July 14, 2026. The statutory period has now passed and I have not received a response acknowledging receipt or providing a determination.

Please confirm the status of my request. If additional time is required to fulfill it, I ask that you provide a written explanation and a reasonable estimated date of completion, as mandated by law.

Thank you for your attention to this matter. I look forward to your prompt response.

warrants or vendor payment registers, typically as periodic PDFs or spreadsheets showing vendor names, payment amounts, and dates. These have been a valuable resource for understanding how budgets translate into actual spending.

I'm writing to ask whether Cape Elizabeth makes similar records available. Specifically, I'm looking for:

- Accounts payable check warrants or vendor payment registers
- The most recent 12 months of data would be a great starting point
- Any format works, though CSV or Excel is ideal

I've attached a simple template showing the fields that are most useful for my research, in case it's helpful. But I'm happy to work with whatever format you already have, no need to reformat anything on your end.

If these records are published somewhere I may have missed, I'd appreciate a pointer. If they're available by request, I'm happy to submit a formal public records request.

Thank you for any guidance you can provide.

Best regards,

Good Afternoon Oshea,

Thank you for your Freedom of Access Act (FOAA) request, received on April 29, 2026. This message acknowledges receipt of your request in accordance with Maine's FOAA requirements.

Finance Director, Kristie Bradbury will be able to assist you with this request. I have cc'd her on this email.

Your request:

"Any document that details payments to vendors issued by Cape Elizabeth Fire Department from 1/1/2022 through February, 28 2026.

This document/report may also be referred to as an accounts payable summary, check summary, check register, check warrants, vendor payment summaries, expenditure/disbursement reports or vendor analysis report. Any spreadsheet or report that lists vendor names, brief descriptions of purchases, and total amounts would be fully responsive to this request.

If available, please include:

-Vendor name
-Description of purchase or payment
-Total price or amount paid"

We are currently reviewing your request to identify records that may be responsive. Please be aware that while FOAA ensures access to many public records, some materials may be exempt from disclosure under the law. Any such exemptions will be applied appropriately.

If the requested records are readily available and eligible for release under FOAA, we will provide them promptly. Dear Records Officer,

I hope you are doing well. Thank you for your time and for the work you do.

Pursuant to the Maine Freedom of Access Act (FOAA) (1 M.R.S. § 401 et seq.), I am requesting an any document that details payments to vendors issued by Cape Elizabeth Fire Department from 1/1/2022 through February, 28 2026.

This document/report may also be referred to as an accounts payable summary, check summary, check register, check warrants, vendor payment summaries, expenditure/disbursement reports or vendor analysis report. Dear Justin,

The Cape Elizabeth School Department is in receipt of your FOAA request for all public records detailing financial transactions made by Cape Elizabeth School Department, specifically:

- A report (such as a check register, expenditure report, or purchase order history) reflecting all transactions from January 1, 2022 to present date, including but not limited to:
  - Purchase date
  - Vendor name
  - Description of goods/services purchased
  - Line item quantity
  - Line item price/amount
- If vendor names are coded in the file, please provide a vendor list with corresponding codes.

In accordance with Maine's Freedom of Access Act (1 M.R.S.A. § 408-A), at this time we estimate this will take approximately 7-10 business days and we anticipate being able to provide this information to you at no additional cost.

Dear Chelsea,

The Cape Elizabeth School Department is in receipt of your November 24, 2025 FOAA request for electronic records related to Independent Educational Evaluation payments and fee schedule policies.

In accordance with Maine's Freedom of Access Act (1 M.R.S.A. § 408-A), School Department Business Manager Marcia Weeks should be able to, within approximately 20 business days, respond electronically and at no additional cost.

I can further add that there are no School Board Policies related to reimbursement and fee caps (i.e., rates for speech-language evaluations).

Sincerely,
Andrea

Good Afternoon,

We have received many of these as listed below. I only copy and pasted one, but they are all the same coming from different names referencing different companies. As soon as we reply that we don't have what they are looking for, the second we hit send we get a reply. Hope it helps!

Hello,

The Data Branch is submitting a public records request for vendor procurement records.

Pursuant to the Maine Freedom of Access Act (1 M.R.S.A. § 401 et seq.)

Scope of Request:

All products from: Audio Enhancement, Boxlight, Capital StreetScapes, CareHawk, Centegix, Custom Products Corporation, and Hall Signs

We aim to find records from 2022 to now that would reflect the pricing structure of any engagement with the above vendors. This may include subscription or licensing terms, implementation fees, and/or per-unit costs.

We are looking for the following types of records:

- Contracts, service agreements, order forms
- Purchase orders relating to the above vendors
- RFP or solicitation documents
- Task orders issued against cooperative purchasing agreements

To keep this easy on your office, we are happy to receive records in whichever of the following formats works best:

- Spreadsheet exports (preferred)
- PDF or Word documents
- Standard ERP or finance system reports

- Any summary-level purchasing records your office already maintains

Where portions of the requested records may be withheld under an applicable exemption, we ask that all reasonably segregable non-exempt portions still be produced.

This request *is* being made for commercial purposes. We are committed to complying with any applicable procedures Upper Frenchville follows for public records requests, and we are happy to refine or scope down the request if that would make fulfillment more manageable.

Records may be sent directly to Jocelyn Harper at the following:

Email: jocelyn@databranchus.com

Phone: (302) 585-3132

Address: 2810 N Church St STE 89774, Wilmington, DE 19802

Thank you for your attention to this request and we look forward to a prompt reply. If this office is not the correct custodian, please forward the request to the right agency or department, or advise us where to direct it. We appreciate your cooperation.

Best regards,

Jocelyn Harper

Where these records go: The Data Branch is building a national reference of public purchasing records gathered from public sources across the country. When it launches at thedatabranch.com, the app will help public agencies compare what peer agencies paid for similar products and services. Records from your agency will contribute to this shared resource. Please feel free to share it with your purchasing or finance team.

FORWARDING FOAA REQUEST by AI Fw: Dallas Plantation, Maine: Open Records Request for ES&S Election Records / Reports (2024, 2025, 2026 November Elections)

Rebecca,

We received the following FOAA request that appears to fit the description of an AI generated letter in that it is overly detailed and highly technical especially for our Plantation (population of 304), as we have had no electronic counting means until this past election and annual meetings are held in person with a show of hands as a vote. The request was forwarded to the Sec. Of State's office where we learned that they have received multiple inquiries from across the state from this same person.

It would appear we would need to respond to the request this week. We do not yet have an answer from the SoS's office as to how to proceed.

On another note, we had an issue with a property owner that extended a public road culvert illegally and responded to our inquiry with AI generated responses while interacting with our attorney. The process was unduly tedious and extended for months without resolve due to incorrect information that was not in sync with Maine statute. The home owner resides in Massachusetts and was certain he had the right to attach a 40' extension onto the public road culvert; insisted that the Plantation acted illegally without notification of the original installation (which occurred in the mid 1900's prior to his purchase of the property) and threatened to sue us. While we were eventually able to resolve the matter, it cost us numerous billable hours from our attorney. She in turn was exasperated dealing with the continued onslaught of AI generated argument.

We appreciate the work you all do in helping us do our job lawfully and respectfully. We look forward to the results of the committee in addressing an emerging issue.

Best regards,

Linda Jones

Subject: Dallas Plantation, Maine: Open Records Request for ES&S Election Records / Reports (2024, 2025, 2026 November Elections)

Dear Katrina Gacki,
We are writing to submit a request for public records under the Maine Freedom of Access Act (1 M.R.S. 400 et seq.) for specific election reports generated by the ES&S (Election Systems & Software) election management system in use by Dallas Plantation for the November elections of 2024, 2025, and 2026.
We request the following records:

1. November 5, 2024 General Election

Any and all ES&S election reports generated for the November 5, 2024 General Election, including but not limited to:

- EL45A, Election Summary with Group Detail
- EL30A, Precinct Summary Report with Group Detail
- EL52, Numbered Key Canvass
- EL68, Results Corrections Log
- EL68A, System Log

2. November 2025 Elections (including any municipal election held in November 2025)
Any and all ES&S election reports generated for the November 2025 Elections (including any municipal election held in November 2025), including the same report types listed in item 1.

3. November 3, 2026 General Election
Any and all ES&S election reports generated for the November 3, 2026 General Election, including the same report types listed in item 1, as they exist on the date this request is received.

For each item, we request the records in the electronic file format generated by the ES&S Election Reporting Manager in use (.LST, .TXT, or .CSV), delivered by email or a secure file-sharing link. Where possible, please produce responsive records on a rolling basis.

Under 1 M.R.S. section 408-A, a person has the right to inspect and copy any public record within a reasonable time of making the request; the requested reports are electronic data compilations in the possession or custody of Dallas Plantation, within the definition of public records in section 402(3), subject to the exceptions listed there. Under section 408-A(3), please acknowledge receipt of this request within 5 working days and, within a reasonable time, provide a good faith, nonbinding estimate of the time frame within which Dallas Plantation will comply and a cost estimate as provided in subsection 9. Under section 408-A(7), we elect access to these electronically stored public records in the medium in which they are stored, delivered electronically by email. Under section 408-A(8)(A), a per-page copy fee may not be charged for records provided electronically, and under section 408-A(8)(B) no fee may be charged for the first 2 hours of staff time per request and no more than $25 per hour after that. Under section 408-A(9), if the estimate of the total cost is greater than $50, please inform us before proceeding. We ask Dallas Plantation to waive all fees under section 408-A(11)(B), which permits a waiver where the agency or official considers release of the record to be in the public interest because doing so is likely to contribute significantly to public understanding of the operations or activities of government and is not primarily in the commercial interest of the requester. Under section 408-A(8)(B), compiling a public record includes reviewing and redacting confidential information, and we ask that Dallas Plantation release each record with any confidential information redacted rather than withhold the record in full. Under section 408-A(4), if Dallas Plantation refuses permission to inspect or copy any record, it must provide, within 5 working days of receipt of this request, written notice of the denial stating the reason for the denial, and the notice must contain a citation to the statutory authority used as the basis for the denial; under section 409(1), a denial may be appealed to the Superior Court within 30 calendar days of receipt of the written notice.

If any fees apply, please provide an itemized estimate before incurring them. We are prepared to pay reasonable duplication costs. If any portion of the requested records is withheld or redacted, please identify the specific legal basis for each withholding or redaction.

Please preserve all records responsive to this request, including any records held on systems subject to scheduled deletion, until this request has been fully processed.

If any part of this request is unclear, or if you foresee any difficulty in fulfilling it, please contact us before undertaking the search so that we can narrow or clarify it and avoid unnecessary cost.

Hi Rebecca,

I was forwarded the request for AI FOAA. I never received the initial ask.

Dover-Foxcroft is experiencing a large amount of them. I encourage you to take a look at our FOAA tracking software. https://doverfoxcroftme.justfoia.com/publicportal/home/search
Hit the search button and you will see all the completed ones we've done since using the program.

Just hit the search button and you can see what we've completed so far. There is a clear distinction of one generated by AI versus the average request. This gets updated as we complete them. We currently have 7 that are currently being worked on, all of which were generated by AI.

Granted these are individuals submitting them, however, utilizing AI to create very elaborate and intensive requests. I'd be happy to provide others. We only started using this system for less than a month. We have many more that have not been entered into the archives yet.

Dear Records Officer,

I hope you are doing well. Thank you for your time and for the work you do.

Pursuant to the Maine Freedom of Access Act (FOAA) (1 M.R.S. § 401 et seq.), I am requesting any document that details payments to vendors issued for goods and contracted professional services rendered to Town of Edgecomb from 1/1/2022 through February, 28 2026.

This document/report may also be referred to as an accounts payable summary, check summary, check register, check warrants, vendor payment summaries, expenditure/disbursement reports or vendor analysis report. Any spreadsheet or report that lists vendor names, brief descriptions of purchases, and total amounts would be fully responsive to this request.

If available, please include:

-Vendor name

-Description of purchase or payment
-Total price or amount paid

If vendor names are coded, please include the code key if it's easily available. We're happy to accept whatever form this data is already maintained in — raw exports or standard reports (Excel, CSV, or PDF) are perfectly fine.

If another department is better suited to handle this request, I'd appreciate it if you could forward it to them or share their contact information.

If any part of this request is withheld, please provide the specific statutory exemption and release all non-exempt portions.

To ensure prompt follow-up, please send any correspondence regarding clarifications, extensions, online portal access, and response letters through email only to records@sunlightaccess.com and reference: FR:59941
