### REPORTS FROM EXECUTIVE DIRECTOR AND COUNCIL OFFICES

#### Fiscal Report

Chris Nolan, Director, Office of Fiscal and Program Review, presented the following report.

#### 1. General Fund Revenue Update

Total General Fund Revenue - FY 2021 (\$'s in Millions)						
	Budget	Actual	Var.	% Var.	Prior Year	% Change
March	\$198.7	\$189.6	(\$9.1)	-4.6%	\$210.9	-10.1%
FYTD	\$2,682.7	\$2,960.8	\$278.1	10.4%	\$2,765.9	7.0%

General Fund revenue was under budget by \$9.1 million (4.6%) for the month of March and over budget by \$278.1 million (10.4%) for the fiscal year to date.

Individual income tax revenue was under budget by \$33.5 million for the month but over budget by \$172.6 million for the fiscal year to date. Individual income tax refunds were \$77.3 million more than budget (negative impact on revenue) for the month but \$25.9 million less for the fiscal year to date. The March positive variance corrects a large portion of the negative refund variance from February. Individual income tax withholding revenue was above budget by \$32.2 million for March and by \$64.3 million for the fiscal year to date, while individual estimated payments were \$3.3 million over budget for the month and \$67.1 million above budget for the fiscal year to date.

Corporate income tax revenue was over budget by \$2.7 million for the month and by \$26.1 million for the fiscal year to date. The positive variance for the fiscal year to date was largely the result of estimated payments exceeding budget by \$26.6 million. Sales and use tax revenue (February sales) was over budget by \$17.1 million for the month and by \$74.5 million for the fiscal year to date.

#### 2. Highway Fund Revenue Update (see attached)

Total Highway Fund Revenue - FY 2021 (\$'s in Millions)						
	Budget	Actual	Var.	% Var.	Prior Year	% Change
March	\$22.1	\$24.1	\$2.0	9.1%	\$21.1	14.3%
FYTD	\$245.4	\$249.5	\$4.1	1.7%	\$257.4	-3.1%

Highway Fund revenue was over budget by \$2.0 million (9.1%) for the month of March and over budget by \$4.1 million (1.7%) for the fiscal year to date. Fuel taxes were under budget by \$0.2 million for the month and by \$1.9 million for the fiscal year to date. Motor vehicle registrations and fees were over budget by \$2.3 million for the month and by \$5.7 million for the fiscal year to date.

### 3. Cash Balances Update

The average balance in the cash pool for March was \$2,644.5 million, a decrease from February's average of \$2,863.1 million. The decrease was largely the result of the continued decrease in the average balance from federal Coronavirus Relief Fund (CRF) payments (from \$322.7 million in February to \$274.6 million in March), and a decrease in the General Fund balance which is typical in the months prior to the individual income tax filing deadline. The average Highway Fund balance in March was \$58.0 million, a decrease from February's average of \$59.1 million.

### 4. Economic and Revenue Forecast

The Consensus Economic Forecasting Commission (CEFC) met on March 30, 2021 to review and update the economic forecast for its [April 1<sup>st</sup> Report](#). Overall the CEFC was more optimistic in its April forecast and saw reduced uncertainty from its two previous forecasts. A significant change made in the forecast was the upward revision for personal income growth to +5.0% for 2021 compared to -0.5% in its previous forecast. The Revenue Forecasting Committee (RFC) will meet on April 27<sup>th</sup> to review and update the revenue forecast for its statutory May 1<sup>st</sup> report.

Without objection, Speaker Fecteau took items out of order and moved on to **New Business**.

## NEW BUSINESS

### Item #1: Consideration of After Deadline Requests and Joint Resolutions

President Jackson moved to table all of the after-deadline bill requests, and invited the members with after-deadline bill requests to instead pursue the requests via the ballot process. Members discussed the motion, after which President Jackson withdrew his motion.

The Legislative Council proceeded to consider and vote on six (6) after deadline bill requests and two (2) Joint Resolutions. The Legislative Council authorized three (3) bills and one (1) Joint Resolution for introduction, two (2) bills and one (1) Joint Resolution were rejected, and one (1) bill was tabled. The Legislative Council approved two (2) previously tabled bill requests; rejected two (2) previously tabled bill requests; and approved one (1) previously tabled Joint Resolution. The Legislative Council's action on the requests is attached.
