ORDERED,

That the State Controller increase allotment in account 014-18A-Z145-01, Leased Space Reserve Fund, by \$476,334, in the Capital Expenditure line category for the purpose of funding the sprinkler installation at 10 Water Street; and,

Be it further ordered,

that the State Controller authorize the expenditure in accordance with the attached "Revision of the Work Program for Fiscal Year ending June 30, 2022", for which this shall be our sufficient warrant.

Statement of Fact

This financial order allots the unencumbered balance forward for capital renovation and improvement projects. Funding will be used for additional costs associated with the sprinkler installation at 10 Water Street in order to address the ground water lines. Failure to allot these funds will prevent the sprinkler system from becoming operational.
