32 SUMMARY

This amendment replaces the bill and turns it into a resolve. The amendment directs the Joint Standing Committee on Health and Human Services to review whether allocations of the Fund for a Healthy Maine are properly aligned with the State's public and preventive health priorities and goals and recommend adjustments to allocations as necessary instead of creating an ongoing commission to study the allocations as in the bill. Under the amendment, the committee is authorized to meet up to 6 times when the Legislature is not in session and the committee's report must be submitted by December 2, 2015.
