14 Amend the bill by relettering or renumbering any nonconsecutive Part letter or  
15 section number to read consecutively.

16 **SUMMARY**

17 This amendment is the majority report of the committee.

18 The amendment amends Part A of the bill to repeal the Maine Revised Statutes, Title  
19 17-A, section 1609, which requires a sentence to be nonconcurrent if it is imposed for a  
20 crime committed or attempted to be committed while the person is serving a sentence.  
21 The amendment enacts Title 17-A, section 1609-A, which grants to the court discretion to  
22 impose a sentence that is nonconcurrent if it is imposed for a crime committed or  
23 attempted to be committed while the person is serving a sentence or while a stay of  
24 execution of a sentence has been imposed.

25 The amendment removes from the bill a proposed amendment to the Sex Offender  
26 Registration and Notification Act of 1999 that was included in the bill in error. The  
27 amendment separates 2 variants of kidnapping under Title 17-A, section 301, subsection  
28 1, paragraph A, subparagraph (3). The amendment clarifies that the amendments to the  
29 Sex Offender Registration and Notification Act of 2013 apply to a crime committed prior  
30 to January 1, 2021, if the offense is knowingly restraining another person with the intent  
31 to inflict bodily injury, and apply to a crime committed on or after January 1, 2021, if the  
32 crime is conduct defined as criminal in Title 17-A, chapter 11.

33 The amendment repeals a section of law in Title 17-A, chapter 11 on factors aiding in  
34 predicting high-risk sex offenders for sentencing purposes, leaving individual risk  
35 assessment at sentencing to the judgment of the court.

36 This amendment adds Part F to the bill, requiring annual written reports from the  
37 Maine Information and Analysis Center by February 1st each year beginning February 1,  
38 2021, to the joint standing committee of the Legislature having jurisdiction over criminal  
39 justice and public safety matters regarding the performance of the center. The reports  
40 must include a narrative of the types of cases, crimes, incidents and reports the center has  
41 reviewed and evaluated in a manner that protects personal privacy and the integrity of the  
42 work of the center. The reports must include both privacy audits performed in the prior

1 year and de-identified information regarding the cases, crimes, incidents and reports on  
2 which the center worked during the prior year.
