It is unlawful for a person to harvest, pick, rake, possess or remove wild blueberries from the land of an owner without first securing written permission from the owner or the owner's authorized agent. This section does not apply to members of an organized crew, if the crew leader has first secured the written permission of the owner. The written permission must identify the land by reference to tax map, lot number and town, township or plantation or to global positioning coordinates for the area where wild blueberries are managed. A person authorized to make inspections under this chapter may require a person on the land of an owner who has possession of wild blueberries or is found harvesting, raking, picking or removing wild blueberries to show valid written permission. Violation of this subsection is a strict liability crime as defined in Title 17-A, section 34, subsection 4-A.
