[PL 2021, c. 547, §1 (NEW).]

**2. Duties.** A member state shall:

A. Participate fully in the commission's data system, including using the commission's unique identifier as defined in rules; [PL 2021, c. 547, §1 (NEW).]

B. Notify the commission, in compliance with the terms of the compact and rules, of any adverse action or the availability of investigative information regarding a licensee; [PL 2021, c. 547, §1 (NEW).]

C. Implement or utilize procedures for considering the criminal history records of applicants for an initial privilege to practice. These procedures must include the submission of fingerprints or other biometric-based information by applicants for the purpose of obtaining an applicant's criminal history record information from the Federal Bureau of Investigation and the agency responsible for retaining that state's criminal records. A member state shall fully implement a criminal background check requirement, within a time frame established by rule, by receiving the results of the Federal Bureau of Investigation record search and shall use the results in making licensure decisions. Communication between a member state and the commission and among member states regarding the verification of eligibility for licensure through the compact may not include any information received from the Federal Bureau of Investigation relating to a federal criminal records check performed by a member state under Public Law 92-544; [PL 2021, c. 547, §1 (NEW).]

D. Comply with the rules of the commission; [PL 2021, c. 547, §1 (NEW).]

**3. Fees.** Member states may charge a fee for granting the privilege to practice.

[PL 2021, c. 547, §1 (NEW).]

**4. Nonresidents.** Individuals not residing in a member state may continue to be able to apply for a member state's single-state license as provided under the laws of each member state; however, the single-state license granted to these individuals may not be recognized as granting a privilege to practice professional counseling in any other member state.

[PL 2021, c. 547, §1 (NEW).]

**5. Single-state license requirements.** Nothing in this compact may affect the requirements established by a member state for the issuance of a single-state license.

[PL 2021, c. 547, §1 (NEW).]

**6. License recognition.** A license issued to a licensed professional counselor by a home state to a resident in that state must be recognized by each member state as authorizing a licensed professional counselor to practice professional counseling, under a privilege to practice, in each member state.

[PL 2021, c. 547, §1 (NEW).]
