

**STATE OF MAINE
ONE HUNDRED AND TWENTY-NINTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

Off Record Remarks

In Senate Chamber
Tuesday
January 29, 2019

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Reverend Edward Hatch, Palermo Christian Church.

REVEREND HATCH: Thank you for inviting me to open this session in prayer. I really appreciate it. When I received the invitation in December I was the pastor of Palermo Christian Church and I am now what many people call retired. My wife calls me staff. So here's a little difference here. Stepped down after 36 years of service and one of the questions I've been asking since then is: What have I accomplished over those years that has had lasting value. I'd ask you the same question as you're serving the people of the state of Maine. What is going to be done this year that you'll look back on 10 or 15 years from now that will be of lasting value? I'm sure you'll have many short-term goals that will be accomplished but what will there be that you'll look at and say 'Hey, I really appreciate what I did for the people of the state of Maine this year,' and it's just a question I want to put before you today. Let's bow for prayer.

Oh God, we only have one life to live and today can never be repeated. Today we have people working in our state very hard for their families, to be able to pay their bills, to be able to put food on the table. We also have men and women who are serving in our armed forces, who are serving around the world. Some of them making great sacrifices for us even today. We ask, God, for Your protection and Your help for them. We pray that this Senate, here today and in this year, would accomplish something that would be of lasting value, that would put the people of the state of Maine first, and that would be something that would help people as they deal with the everyday struggles of life. There are many in this Body that are facing personal, financial, family health issues. Lord, it is my prayer that You would give them help and strength during this time, but that You would especially help them today to focus on the tasks before them. We ask this in Jesus' name. Amen.

Pledge of Allegiance led by Senator Rebecca J. Millett of Cumberland County.

Reading of the Journal of Thursday, January 24, 2019.

Doctor of the day, Jeff Barkin M.D. of Portland.

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Gratwick.

Senator **GRATWICK:** Thank you, Mr. President. Just to note, there was some sadness. The death 10 days ago of the poet Mary Oliver, and it comes to mind particularly because of the prayer we heard this morning from the Reverend Hatch where he really wanted us to reflect on what are we going to do now that we will remember 10 or 15 years from now with pleasure and with benefit for the state of Maine, and Mary Oliver was a remarkable poet. There was a little thing in the Bangor Daily about her over the weekend. The poem "Summer Day" says, "Tell me what it is you plan to do with your one wild and precious life." I think that's something we would remember. Thank you.

On motion by Senator **LIBBY** of Androscoggin, **ADJOURNED** until Thursday, January 31, 2019 at 10:00 in the morning.

Out of order and under suspension of the Rules, the Senate considered the following:

PAPERS FROM THE HOUSE

Joint Order

An Expression of Legislative Sentiment recognizing:

The University of Maine Black Bears Football Team, of Orono, which won the Colonial Athletic Association Championship and went on to become a National Semifinalist. We extend our congratulations and best wishes;

HLS 41

Comes from the House, **READ** and **PASSED**.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Dill.

Senator **DILL:** Mr. President, ladies and gentlemen of the Senate, it is with great pleasure that I get to rise here today and congratulate the University of Maine Black Bears football team. It was not only a great season but a very interesting season from the standpoint of in the preseason they were picked to finish 8th in the conference. Not only did they realize themselves that they were much better than this, they proved to everyone else that they were way better than this. They went on to win the conference. Seven, they won 7 games. Lost only one. They won it outright. Now we've had 13 other conference championships at the University of Maine, or co-championships, but this one the team went the furthest than any other team. They made it to the semi-finals. We knew it was going to be a great season when they started out with UNH and UNH is the traditional rival. We have this musket that they always - the winner of the team gets to keep until the next season and I hate to say it but in recent years hasn't resided much in the state of Maine. But this time not only did they win it, the musket, back but they really kind of crushed UNH, so it made it even better to start out the season that way. They actually won 2 games with last second field goals too, so it was like talk about nail biters. So, as I said, a very interesting season. As mentioned, they made it all the way to the semi-final appearance, which was the farthest any University of Maine team has ever gone. Last but not least, I would mention that the whole defense was ranked number one out of 124 schools and most of those folks are returning next year and many of the offense players are returning too. So everybody's looking forward to another great season from the University of Maine Black Bear football team. Thank you, Mr. President.

The Joint Order was **PASSED**, in concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber the UM Orono football team. The members, U Maine President, Joan Ferrini-Mundy; U Maine Director of Athletics, Ken Ralph; Senior Associate AD, Seth Woodcock; Coach Josh Heinrich; and U Maine football players that are here
