

**STATE OF MAINE  
ONE HUNDRED AND TWENTY-FOURTH LEGISLATURE  
FIRST REGULAR SESSION  
JOURNAL OF THE SENATE**

In Senate Chamber  
Tuesday  
February 3, 2009

Senate called to order by President Pro Tem Philip L. Bartlett, II of Cumberland County.

Prayer by Pastor Stephen Tracey, Lakeview Orthodox Presbyterian Church in West Rockport.

**PASTOR TRACEY:** Thank you for the privilege of being here. First a parable from Jesus. A sower went out to sow and as he sowed some seeds fell upon the path and the birds came and devoured them. Other seeds fell on rocky ground where they did not have much soil and immediately they sprung up since they had no depth of soil. When the sun rose they were scorched and since they had no root they withered away. Other seeds fell among thorns and the thorns grew up and choked them. Other seeds fell on good soil and produced grain, some a hundredfold, some sixty, some thirty. Jesus explains the parable; when anyone hears the word of the Kingdom and does not understand it, the evil one comes and snatches away what was sown in his heart. This is what was sown on the path. As for what was sown on rocky ground, this is the one who hears the word and immediately receives it with joy, yet he has no root in himself, but endures for a while, and when tribulation or persecution arises on account of the word, immediately he falls away. As for what was sown among thorns, this is the one who hears the word but the cares of the world and the deceitfulness of riches choke the word and it proves unfruitful. As for what was sown on good soil, this is the one who hears the word and understands it. He indeed bears fruit and yields, in one case a hundredfold, in another sixty, and in another thirty.

Let us pray. Oh God, our Father, Lord of all creation, the king of kings and the lord of lords, grant us grace to hear Your son. Our heart is often as hard as the trampled path and we do not hear. Our heart is often shallow, full of obstacles, so that nothing takes root and flourishes in our heart. Our heart is often choked by the thorns of cares and riches. We pray for grace to hear Your word, to understand it, and to bear the fruit of it in our lives.

We pray for the members of the Senate as they come to their work this day. Grant wisdom to each one, that they may engage their mind and heart to do the work entrusted to them. We pray this day for our President Mitchell, following a death in her family, that You will grant comfort and help to them in this time of sorrow. We pray for the Senators and all the stresses and strains of their work, the responsibility of public office, exposure to criticism, and the review of their own conscience. How easy it is for us to be swept along with the crowd, to simply be conformed to this present age. We pray for that transformation by the renewal of the mind, that we may discern what is the will of God, what is good and acceptable and perfect, that we may discern the way life should be. We pray for President Obama. As others have prayed for him, so do we, that he may stir this great nation to

greater things, to do justice, to love mercy, and to walk humbly with God.

Oh God, we live in hard times. People are losing their jobs, their financial security, and their life savings. Grant us grace to help the needy and the weak and yet teach us not to put our ultimate hope in money, or government, or people, but in You. We pray these things in the name of Jesus Christ, God the Son, whom to know is life eternal. Amen.

Re: Child Support Enforcement License Revocation Report:  
January 1, 2007 through December 31st, 2008

Dear Secretary O'Brien and Clerk MacFarland,

In accordance with 19-A MRSA §2201(15) and §2202(12) the Department of Health and Human Services, Office of Integrated Access and Support, Division of Support Enforcement and Recovery (DSER) is responsible for reporting biennially to the Legislature and the Governor regarding the license revocation process. In 1993, the elements of the Report were formulated at the Legislative Session prior to the actual implementation of the process. Unfortunately, the information required by statute does not reflect how the law is applied today. The following License Revocation Report best reflects the actual process, and gives an accurate portrayal of how DSER uses this law, and the periodic results. Also attached hereto is a national study completed by the Office of the Inspector General regarding the effectiveness of several States' license revocation laws.

For Professional and Recreational Licenses:

Requirement #1:

The following is a Report of the number of support obligors identified as holding licenses subject to this section. DSER must precede all enforcement actions by sending a Notice of Debt to all non-custodial parents. The Notice of Debt confirms the amount of support ordered and unpaid balances owed; and it lists the various types of enforcement remedies available to DSER to compel compliance with child support collections. For the reporting period ending December 31, 2008, DSER had an obligated caseload of 60,266. All of these cases become immediately eligible for license revocation if all steps have been unsuccessful to collect support, and there have been no payments in the last 60 days. DSER does not identify individual licenses that are held, but rather contacts all licensing agencies within Maine asking that all licenses held by non-paying non-custodial parents be suspended.

Requirement #2:

The following is a Report of the number of support obligors identified by the Department who are not in compliance with an order for support. During this reporting period, DSER suspended 16,305 professional business and recreational licenses of individuals who were not in compliance with their orders for support. Each case is reviewed individually to make certain it meets the requirements for suspension as provided by statute.

Requirement #3:

The following is a Report of the number of enforcement actions taken by the Department and the results of those enforcement actions. DSER records show 16,305 professional business and recreational licenses were suspended by licensing agencies in Maine. At the request of DSER 10,251 licenses were reinstated as a result of payment agreements entered into by non-custodial parents. It is important to note that future noncompliance with a payment agreement may result in immediate suspension of all licenses held by the nonpaying obligor.

For Drivers Licenses:

Requirement #1:

The following is a Report of the number of notices served upon obligors by the Department. DSER issued in excess of 12,214 Notices of Debt during this reporting period. This number combined with DSER's obligated caseload is now the eligible caseload for drivers' licenses suspension. More than 7,751 drivers' licenses were suspended as a result of actions by DSER during this reporting period.

Requirement #2:

The following is a Report of the number of obligors served notice under this section who requested a hearing. DSER and the Office of the Administrative Hearings do not track the specific type of hearing request received from non-custodial parents. A poll of regional staff handling these hearings estimate less than 100 hearings were scheduled statewide to address this issue.

Requirement #3:

The following is a Report of the number of hearings held under this section, the results of the hearings, and the number of cases settled without the need for a hearing. DSER estimates that 50 of the scheduled hearings were settled prior to or during the administrative hearing, and the majority of the remainder were abandoned by the non-custodial parents. Several obligors were able to demonstrate circumstances that would warrant reinstatement of suspended licenses. Additionally, 4,907 suspension proceedings were settled shortly after certification, and statements of compliance were issued to the Bureau of Motor Vehicles as a direct result of payment agreements obtained by DSER.

Requirement #4:

The following is a Report of the number of support obligations certified to the Secretary of State for noncompliance with an order for support. 7751 obligors were certified to the Secretary of State from January 1, 2007 through December 31, 2008 for noncompliance with an order for support.

Requirement #5:

The following is a Report of the costs incurred in the implementation and enforcement of this section and the Department's actions. DSER estimates direct costs under this section to be less than \$100,000 from January 1, 2007 through December 31, 2008.

Thank you for the opportunity to report on this valuable child support enforcement remedy. Our hope is to work together to develop the most informative Report that illustrates the effectiveness of the license revocation process to the child support program.

Sincerely,

S/ Stephen L. Hussey  
Director  
Division of Support Enforcement and Recovery
