PAPERS FROM THE HOUSE

House Papers

Senate called to order by President Elizabeth H. Mitchell of Kennebec County.

Prayer by Reverend Joan DeSanctis, United Methodist Church of Old Town and the Federated Church of Stillwater.

REVEREND DeSANCTIS: Good morning, Madame President, Madame Secretary, Senators, staff, and the young people who are here to serve today and their families. Thank you for this privilege. It is a pleasure to be with all of you. I bring you greetings, my husband and I do, from Old Town and the village of Stillwater. Let us be in the spirit of prayer.

Living God, we thank You and praise You for giving us a new day of life. We pause to remember the work of those who preceded us and we bless You for the opportunity to serve You anew this day. May the work that is done in this chamber be meaningful and beneficial to those for whom it is intended. Guide the deliberations of Your servants in this place. May their time be productive as they assume their Senatorial duties with dedication to the state and its people. We bless You for the gifts and graces with which You have endowed these men and women as they represent their local constituents, mindful of the particularities of their regions and yet open to the common good for the people of Maine and New England. Set their standards high as they seek the best of resources and services for all Mainers in all their diversity. Help them to work together in spite of their differences as good servants of the adults, youth, and children of this state. May the health and wellbeing of each Senator and their staff be up to the tasks set before them this day. May their skills and dedication grow as they learn and discern the wisest choices to be made for today and tomorrow. Bless our Governor, local magistrates, our civic responders, and all those who seek the common good in our communities. When the day is done may each member of the Senate rest in Your arms of love, knowing they have given their best in response to the love You have shown to them throughout their lives. All praise and glory be Yours this day, God of all creation, time, and space. Amen.

Pledge of Allegiance led by Senator Justin L. Alfond of Cumberland County.

Joint Resolution

The following Joint Resolution:

H.P. 273

JOINT RESOLUTION MEMORIALIZING THE PRESIDENT OF THE UNITED STATES AND THE UNITED STATES CONGRESS TO ALLOCATE FULL FUNDING FOR THE NATIONAL VETERINARY MEDICAL SERVICES ACT

WE, your Memorialists, the Members of the One Hundred and Twenty-fourth Legislature of the State of Maine now assembled in the First Regular Session, most respectfully present and petition the President of the United States and the United States Congress as follows:

WHEREAS, the State of Maine and the United States are currently experiencing a shortage of food animal veterinarians in rural agricultural areas, in certain population groups and in certain disciplines, such as public health, regulatory veterinary medicine and diagnostic laboratory medicine; and

WHEREAS, the financial constraints of servicing debt loads averaging \$120,000 for veterinarian graduates in 2008 resulting in loan repayment obligations approaching \$1,381 per month, assuming a standard interest rate and a standard 10-year repayment term, prevent many new veterinary school graduates from choosing to work in underserved areas and disciplines; and

WHEREAS, the shortage of food animal veterinarians has critical homeland security ramifications since these individuals act as "agricultural first responders" in the early detection of foreign animal diseases, and the early detection of these diseases is of utmost importance in limiting widespread dissemination of these potentially devastating diseases such as foot and mouth disease and avian influenza, known as "bird flu"; and

WHEREAS, a food animal veterinary needs assessment commissioned by the Maine Veterinary Medical Association in 2007 has identified many underserved geographic areas for food animal veterinary services in Maine; and

WHEREAS, the food animal veterinary needs assessment identified student loan repayment as the primary obstacle to recent graduates deciding to enter food animal veterinary practice; and

WHEREAS, an adequate supply of food animal veterinarians is a key component in the continued assurance of a safe, wholesome food supply, in the prevention of foreign animal disease incursions and in monitoring and reporting diseases of human health concern; and

WHEREAS, the National Veterinary Medical Services Act, which passed in the United States Senate by unanimous consent

in November 2003 and was signed by former President George W. Bush on December 6, 2003, authorized "such sums as necessary" to provide student loan repayment to veterinary school graduates who agree to work in underserved areas, has not been fully implemented by the United States Department of Agriculture; and

WHEREAS, funding of this important Act has the potential to alleviate the food animal veterinary shortage and stimulate small business growth in the State of Maine and in the Nation; now, therefore be it

RESOLVED: That We, your Memorialists, respectfully urge and request that all steps be taken to allocate full funding for the National Veterinary Medical Services Act as part of the 2009 economic stimulus plan; and be it further

RESOLVED: That suitable copies of this resolution, duly authenticated by the Secretary of State, be transmitted to the Honorable Barack H. Obama, President of the United States, to the President of the United States Senate, to the Speaker of the United States House of Representatives and to each Member of the Maine Congressional Delegation.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the chamber Laureen Snowman, wife of firefighter Michael Snowman. Michael Snowman was recently honored with a Legislative Memoriam. He was a 25 year member of the Hartland Volunteer Fire Department and died while fighting a house fire in Detroit, Maine. Also in the rear of the chamber are Michael Snowman's sons; Josh Snowman, Ben Snowman, and Tom Snowman, as well as family friend, Debbie Bushey. They are the guests of the Senator from Piscataquis, Senator Smith. The Chair recognizes the Senator from Piscataquis, Senator Smith.

Senator **SMITH:** Thank you, Madame President. Members of the Senate, I rise today just to add a few words to what has already been said about Michael Snowman. We acted upon a sentiment some time ago in remembrance of his service to his community and later learned that there was going to be this special day for firefighters and that the Snowman family was going to play a central part of this day so the matter was tabled in the House. I just wanted to say a few words here on this day.

Michael Snowman was in many ways a model citizen. He was not only a long time fireman who gave 25 years of service to his community that way, he was also a Superintendent of his Sunday school in his church, the First Baptist Church of Hartland. I sometimes attend there and I think at one point or another may have met Michael, although he was not an acquaintance of mine. He was a highly regarded member of that community from a very highly respected family. I can tell you from all that I have know of him that his community, his associates at the fire department, his fellow worshipers at the church, and most certainly his family are going to greatly miss this man. Thank you.
