The Following Communication: S.C. 101

**TOWN OF PITTSFIELD RESOLUTION**

Be It Resolved by the Pittsfield Town Council:

Whereas, the Pittsfield Town Council is deeply concerned and wishes to express its opposition to multiple proposals to Shift the Burden of Funding State Government to Municipalities through the Property Tax and to the Property Tax Payer.

Whereas, the State Administration has submitted a proposed budget for the coming biennium that will dramatically shift the burden of funding state government to the property tax by eliminating or significantly modifying multiple property tax relief programs;

Whereas, the proposal to suspend municipal revenue sharing would result in a loss of over \$372,299 in revenues, which represents 23.1% of the Town's Revenue Budget and \$1.66 on the property tax rate;

Whereas, the proposal to redirect the commercial excise tax would result in a loss of approximately \$124,640 or 7.7% of the Town's Revenue Budget and \$.56 on the property tax rate;

Whereas, in the second year of the biennium, the business equipment tax reimbursement program would be eliminated which provides a reimbursement to the Town of \$239,607 and represents \$1.07 on the property tax rate if the funds are not otherwise reimbursed;

Whereas, SAD #53 would be required to pay additional monies to fund Teacher Retirement under the Governor' budget proposal which would affect the school budget and ultimately be reflected in the community's assessment;

Whereas, eliminating the homestead exemption in FY 15 for those under 65 will increase taxes for those residents by \$185.00 in that year if the Town's tax rate remains the same;

Whereas, low and moderate income residents under the age of 65 who now qualify for the state property tax circuit breaker program will no longer qualify for it in the coming budget year;

Whereas, if enacted, these changes reflect 3 1% of the Municipality's revenue sources as a base plus the BETE Revenue, excluding impacts on the school assessment;

Whereas, to replace these revenues through property taxation, the Town's tax rate would need to be increased by \$3.29 mils without including the impact of SAD#53's assessment and before considering any needs of the community in its budget;

Whereas, these proposals would dramatically increase property taxes in Pittsfield and all communities and also require large spending reductions that will challenge the Town's ability to protect the health, safety and welfare of the community through providing basic services.

Now, therefore, be It Resolved by the Pittsfield Town Council to express its opposition to the proposed state budget which significantly shifts the burden of funding state government to the property tax and property tax payer. Further, the Pittsfield Town Council calls upon the members of the Legislature to fully fund municipal revenue sharing for the coming biennium, fulfill the State's K-12 Education Funding Mandate under the School Finance act of 2003, allow the towns to keep the commercial excise tax it collects, continue the BETE reimbursement to the communities for the property taxes no longer paid to the Towns for business equipment, and maintain the Circuit Breaker and Homestead Exemption property tax relief programs for our citizens.

Signed February 19, 2013 by the Pittsfield Town Council:

S/Gary R. Jordan, Jr.  
Mayor

S/Michael A. Cianchette  
Councillor

S/Timothy P. Nichols
