Lord, we are thankful for each one here and we're thankful that they've taken time from their lives to be here to serve the state of Maine today. We pray You bless them. Expressions of Legislative Sentiment recognizing:

Tyler Bridge, of Wells, a senior and a football player at Wells High School, who has been awarded the James J. Fitzpatrick Trophy. The Fitzpatrick Trophy is given to the top senior high school football player in the State based on voting by the State's coaches and the media. Tyler, the first player from a Class D school to receive the trophy, has also been named the Maine Sunday Telegram Player of the Year. We extend our congratulations and best wishes;

SLS 148

Sponsored by Senator FOLEY of York.  
Cosponsored by Senator: LAWRENCE of York, Representatives: HOBBS of Wells, HYMANSON of York.

The Joint Order was **READ**.

**THE PRESIDENT:** The Chair recognizes the Senator from York, Senator Foley.

Senator **FOLEY:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I'm pleased to recognize Tyler Bridge, a star running back, quarter back, punter, and returner for the Wells High School 2018 Class D State Champion football team, their third State Championship. As mentioned, Tyler was recently named the Fitzpatrick Trophy winner for the most outstanding Maine high school football player for 2018, as well as the Maine Sunday Telegram Player of the Year. Tyler Bridge is the first winner from Class D to ever win the Fitzpatrick Trophy and the first winner from Wells. Here are some of his statistics. Tyler accounted for 3,055 all-purpose yards with an average of 254.6 yards per game. He set an unofficial state single season record with 45 touchdowns. Twenty-one of those touchdowns covered 30 yards or more, ten were 50 yards or more. He was also a devastating blocker and good coverage quarterback with four interceptions. He excelled from the season opener to the finish, when he rushed for five touchdowns and threw for a sixth as Wells beat Foxcroft Academy for its third straight State Title. Simply put, Tyler's an unbelievable athlete, a super humble kid both on and off the field, who is also ranked in the top fifth of his class. He's also a very good basketball player, helping his team to the Class B Southern Maine State Championship game this past year and will no doubt be a force to be reckoned with on the baseball diamond this coming season. I'm honored to have him here today to receive this much deserved recognition. Also with us today is Tim Roche, the Head Coach of the Wells High School football team, who has won four State Championships under his watch. Coach Roche has won State Titles in 2011 in Class C, in 2017, '18, and '19 in Class D. The team has won 28 straight games dating back to 2017 and he was recently named the Class D Coach of the Year by the Maine Football Coaches Association. More importantly, other than the fundamentals of football, Tim teaches his players to be good citizens, to respect each other and themselves, to strive to be good leaders both on and off the field and in life. I have a great deal of respect and admiration for the role Tim has played in these kid's lives and I thank him for that. My congratulations to both Tyler and Coach for a tremendous season. Thank you, Mr. President.

The Joint Order was **PASSED**.

Sent down for concurrence.

**THE PRESIDENT:** The Chair would like to recognize in the rear of the Chamber Tyler Bridge; Andy Bridge, who is Tyler's father; Coach Tim Roche and his wife, Cindy Roche. They are all from Wells and they are the guests today of the Senators from York, Senator Foley and Senator Lawrence. Would they all please rise and accept the greetings of the Maine State Senate.

**Joint Resolution**

Joint Resolution in Memoriam:

WHEREAS, the Legislature has learned with deep regret of the death of:

Donna Marie Haynes Caverly, of Clinton. Mrs. Caverly grew up in Tully Valley in New York on the Haynes Ayrshire farm, spending many summers traveling with her family and their prizewinning herd of Ayrshires. She married Edgar Caverly in 1985 and moved to Caverly Farms in Clinton. She worked for JC Penney at the Cortland, New York and Waterville stores, working her way up to a supervisory role before becoming a stay-at-home mother for her children. She later became a substitute teacher in School Administrative District 49 and in 2006 joined the staff at Clinton Elementary as an education technician, where she led a reading program for 12 years. She was a very active volunteer for many organizations, including the Lawrence High School Band Boosters, for which she served as treasurer for several years. Mrs. Caverly will be long remembered and sadly missed by her family and friends and all those whose lives she touched;

**THE PRESIDENT:** The Chair recognizes the Senator from Kennebec, Senator Cyrway.

Senator **CYRWAY:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I'd just like to say a few words for Donna Caverly. She was a wonderful lady. I grew up on a farm and the Caverlys were like family to us. I got to know her very well. In fact, I was President of the Band Boosters and she was secretary and treasurer of the Band Boosters. We actually had a situation where the school board wanted to get rid of the marching band and we had well over 75 to 100 people show up and we got it back within a month and it's still going today. Robert Caverly was Chief of Staff for the Republican Party and he actually got me into being a Senator. But the nice thing was that

she really had her heart and soul in her family. In fact Robert and her other son were both drum majors and also Robert was a great trumpet player. So I'm very proud of what she accomplished. She was a showman in cattle. She was involved in her family's farm in New York and then came here and showed cattle here as well. Just proud of what she accomplished and a good community leader. Thank you.

**THE PRESIDENT:** The Chair recognizes the Senator from Knox, Senator Miramant.

Senator **MIRAMANT:** Thank you, Mr. President. Men and women of the Senate, I didn't know Mrs. Caverly but I did know her son. I do know her son. Over the last four years working with him I've really enjoyed it. We had some issues about the partisanship that was going on, but here in the Senate we worked through it and I think a big part of it was him. I could see the effect of a loving family and what that had on him because you know Rob, he's quiet, he's thoughtful, and yet he always listened. He was always pretty upfront about what he thought would happen that day. The other part was that my mother died at just about the same time. So both in admiring him for the way he kept us all working together over the last four years before this session and knowing what that means, having someone with such a big influence on us, I really just want to send our best wishes from all of us, not just from one group in the Senate but from all of us, to Rob, to his family, and thank him for his presence here, and that he's still here, out for a little bit, but in a different role. Thank you.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.

JOINT RESOLUTION - Recognizing The Maine State Housing Authority On Its 50th Anniversary

S.P. 410

Tabled - March 19, 2019 by Senator **BELLOWS** of Kennebec

Pending - motion by same Senator to **ADOPT**

The Joint Resolution was **READ**.

**THE PRESIDENT:** The Chair recognizes the Senator from Kennebec, Senator Bellows.

Senator **BELLOWS:** Thank you, Mr. President. I rise in support of the pending Resolution in honor of Maine State Housing Authority on their 50<sup>th</sup> Anniversary. This agency formed in 1969. It was formed to address what, at the time, were critical challenges of unsafe, unaffordable housing in the state of Maine. In 50 years they have done so much to address these issues. If you have constituents looking for rental assistance, looking for low-income housing or senior housing, Maine State Housing Authority is here to help. If you have constituents who are looking to purchase their first home, to transition from rental housing to home ownership, Maine State Housing is here to help. If you have constituents, particularly seniors, struggling with needs for

energy assistance or weatherization Maine State Housing is here to help. If you have constituents concerned about arsenic in their well water or lead abatement in old housing stock Maine State Housing Authority is here to help. Their core values are that they see themselves and their team as passionate and committed, thoughtful and caring, professional and accountable. As Chair of the Labor and Housing Committee I've had the opportunity to work very closely with them and to see this firsthand. Earlier this year our committee toured Bread of Life shelter in Augusta and then Cabin in the Woods in my district, a remarkable housing first model for homeless veterans on the site of Togus. Maine State Housing has been an integral part of expanding housing for low-income people, housing for veterans, housing for the homeless, for our seniors, and we are truly lucky to have them because they couple the efficiencies of the private market with the public purpose. So today it is my great privilege to encourage all of us to support unanimously Maine State Housing Authority and this resolution on this 50<sup>th</sup> anniversary. Thank you.

**THE PRESIDENT:** The Chair recognizes the Senator from Penobscot, Senator Guerin.

Senator **GUERIN:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I would like to join in congratulating Maine State Housing on their 50<sup>th</sup> anniversary. Many families in my district have taken advantage of their weatherization projects. Many of our seniors enjoy senior housing project that they have financed and been part of. On a personal note, my family, my husband and I, and I have five children, took advantage of the Maine State Housing first home buyer program many years ago and we still live in that home today.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.

**THE PRESIDENT:** The Chair is pleased, very pleased, to recognize in the rear of the Chamber Dan Brennan, who is the Director of the Maine Housing, and Peter Merrill, who is the Deputy Director of Maine Housing. Would they please both rise and accept the greetings of the Maine State Senate.

The Chair laid before the Senate the following Tabled and Later Assigned (3/21/19) matter:

JOINT RESOLUTION - Recognizing April 2019 As Child Abuse And Neglect Prevention Month  
S.P. 427

Tabled - March 21, 2019 by Senator **MOORE** of Washington

Pending - motion by same Senator to **ADOPT**

The Joint Resolution was **READ**.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Diamond.

Senator **DIAMOND:** Thank you, Mr. President. Ladies and gentlemen of the Senate, I just wanted to rise briefly and say how appropriate and how timely this resolution is. The month of April, but more importantly the time of year. So many committees are now working on this very important issue of child abuse. We now have the Committee on HHS who, of course, has been working on it for a few years and the GOC, Government Oversight Committee, last year put out a report and another one this year, defining some of the severe problems we all face and the State faces in protecting these children. The Judiciary Committee and the Criminal Justice and Public Safety Committee all are coming together. For the first time we have a joint effort and this battle's been going on for at least 15 years. So I just wanted to rise and say this is very, very timely. Some of the gains we've made over the years are just that, some gains. This is an opportunity this year to really do something great by coordinating all those committees together, taking advantage of all their expertise. Along with that we have the Governor's budget. She has actually put in an entire reorganization of the Computer Crime Unit, which goes hand-in-hand with all of this. So this is the year we have a chance to really make a difference in protecting kids who are being abused and neglected and sexually assaulted. So I'm excited about the last three months of this session to see what we can do. Thank you, Mr. President.

**THE PRESIDENT:** The Chair recognizes the Senator from Cumberland, Senator Millett.

Senator **MILLETT:** Thank you, Mr. President. I, too, want to rise and support this resolution. We talk a lot about adverse childhood experiences in the Education and Cultural Affairs Committee and long lifetime impact it has on their health; on their ability to be successful, contributing members of our society. This is not just an issue of poverty. This is something that impacts our middle class and upper class as well. So in April we get to talk about this even more and celebrate the good work that's happening, because there are some amazing organizations and professionals who are dedicated to addressing this issue. But we all have a role to play in healthy childhood development. This month I ask all of us to consider mentoring a child or mentoring a parent. I think we all know somebody in this Chamber who is a new parent and probably would welcome our support and guidance. Continue to advocate for policies that support children

and families and, finally, consider donating your time or your money to these wonderful organizations that serve our children. Thank you, Mr. President.

**THE PRESIDENT:** The Chair recognizes the Senator from Aroostook, Senator Carpenter.

Senator **CARPENTER:** Mr. President, just to follow on the comments of the two Senators from Cumberland, Senator Diamond and Senator Millett. I think I'm up to pretty close to 30 cases now involving probably in the order of, I should count and get an actual number, around 45 children. Picked up a new case yesterday and just got the word from my secretary this morning I picked up two new cases today.

The Joint Resolution was **ADOPTED**.

Sent down for concurrence.
