ONE HUNDRED AND TWENTY-NINTH LEGISLATURE
FIRST REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Thursday
March 28, 2019

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Pastor David Willhoite, The Apostolic Church in Mexico.

PASTOR WILLHOITE: Thank you. Lord, first of all we want to thank You for an opportunity to open this Senate in prayer and for this great Body of legislators that is doing the business for the State of Maine. Second of all, Lord, I want to thank You that it's spring and that winter is finally over. I'm asking for Your blessings, Lord, on this Senate that You would lead and guide, that it be done with three things, Lord; righteously, with peace and, finally for the state and the constituents of Maine, joy; that, Lord, we would have Your favor today and our minds would be submitted to You. We ask this in Jesus' name. Amen.

Pledge of Allegiance led by Senator Erin D. Herbig of Waldo County.

Reading of the Journal of Tuesday, March 26, 2019.

Doctor of the day, Patrick Keaney, M.D. of Yarmouth.

Off Record Remarks

Out of order and under suspension of the Rules, the Senate considered the following:

ORDERS

Joint Order

An Expression of Legislative Sentiment recognizing:

Sarah Nelson, of Searsmont, a second-grade teacher at Ames Elementary School, who received a VFW Elementary Teacher of the Year Award for her outstanding commitment to teaching Americanism and patriotism. We extend our congratulations and best wishes;

SLS 52

Sponsored by Senator HERBIG of Waldo.
Cosponsored by Representative: ZEIGLER of Montville.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Waldo, Senator Herbig.

Senator **HERBIG**: Thank you, Mr. President. Women and men of the Senate, it is my extreme privilege to welcome Sarah Nelson and her class from the Ames Elementary School in Searsmont today. Ms. Nelson is a 2nd grade teacher and the State of Maine's 2019 Veterans of Foreign Wars Elementary Teacher of the Year. I've had the pleasure of visiting Ms. Nelson and her students this fall at the Ames School. The students actually collected over 375 pounds of Halloween candy - three hundred and seventy-five pounds. Can you believe that? - as part of the Great Candy Challenge where it is delivered to the Bangor International Airport and given to active duty soldiers as they pass through the facility. As we all witnessed this morning, this special class also understands the importance of pledging allegiance to the flag every single morning. I'm happy they were able to do that with us today. It is because of all these reasons that Ms. Nelson has shown extraordinary dedication to teaching these kids what it means to serve Searsmont, Waldo County, the State of Maine, and our country. She has emphasized why it is important to volunteer, to support veteran's programs, and to thank veterans for their service whenever we can. To recognize Ms. Nelson for her good work the Randall Collins VFW Post 3108 in Belfast nominated her for District Elementary Teacher of the Year in 2018. She then progressed to the state competition, which she won earlier this year. On behalf of the Maine Legislature it is my great honor to recognize Sarah Nelson with a legislative sentiment. We extend our congratulations and best wishes and be it ordered that this official expression of sentiment be sent forthwith on behalf of the 129th Legislature and the people of the state of Maine. Congratulations.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to once again recognize up in the balcony Sarah Nelson and her class at Ames Elementary School. They're all from Searsmont and they are the guests today of the Senator from Waldo, Senator Herbig. Once again, would you guys all please wave and accept the greetings of the Maine Senate.

Expressions of Legislative Sentiment recognizing:

Aela Mansmann, of Cape Elizabeth, who out of hundreds of nominees from across the Nation has been recognized by the U.S. Cellular The Future of Good 16 Under 16 Program for building a team of student leaders to create an entirely student-led conference focusing on sexual assault prevention in her community and the State. We extend our congratulations and best wishes;

SLS 156

Sponsored by Senator MILLETT of Cumberland.
Cosponsored by Representatives: CARNEY of Cape Elizabeth, KESSLER of South Portland.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Cumberland, Senator Millett.

Senator **MILLETT**: Thank you, Mr. President. Mr. President, ladies and gentlemen of the Senate, we are joined today by an extraordinary young woman and her peers. Aela Mansmann is 14 years old and already is an impressive active community member. We are so fortunate to have her contributing to our community and to our state. In addition to the work that she is being recognized for today, she is also the Youth Ambassador for March for Our Lives. She plays field hockey and cello, winning a cello scholarship, I might add. Aela has been recognized nationally by U.S. Cellular's 16 Under16, the Future of good Program which provided a \$10,000 grant for Aela's work with the youth committee of student leaders. This amazing group of 10 high school students has been working with the national non-profit organization, SafeBAE, Before Anyone Else, whose mission statement is to prevent and educate about sexual assault in middle and high school. They are planning and hosting the regional summit Consent: The Way Life Should Be. The summit is being held on May 22nd and will focus on sexual assault prevention, consent, and bystander intervention. According to the committee statement, all 1,500 students coming to the summit will learn how to identify and ask for consent, how to conduct a healthy relationship, how to be a healthy and safe active bystander, and their rights under Title 9. We are dedicated to educating our peers and communities about this cause and we look forward to seeing this new and improved cultural norm emerge in our communities. The other members of the youth committee include: Izabella Rodriques, Aaron Zeitlin, Harry Bake, Lillian Frame, Eleanor Johnson, Emma Ivy, Mia Filieo, Abbie Brier, and Jack Kingsley, who unfortunately could not be here today. My deepest gratitude to these young leaders for taking on this critical issue which I'm afraid has touched far too many of our lives and our loved ones. Thank you.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber Aela Mansmann, Izabella Rodriques, Aaron Zeitlin, Harry Bake, Lillian Frame, Eleanor Johnson, Emma Ivy, Mia Filieo, and Abbie Brier. They're all from Cape Elizabeth and South Portland, and they are the guests today of the Senator from Cumberland, Senator Millett. Would they please rise and accept the greetings of the Senate.

Off Record Remarks

The Boothbay Region High School Girls Basketball Team, of Boothbay Harbor, which won the Class C State Championship. We extend our congratulations and best wishes;
SLS 157

Sponsored by Senator DOW of Lincoln.
Cosponsored by Representative: STOVER of Boothbay.

The Joint Order was **READ**.

THE PRESIDENT: The Chair recognizes the Senator from Lincoln, Senator Dow.

Senator **DOW:** Thank you, Mr. President. Ladies and gentlemen of the Senate, today I have the honor of welcoming the Girls Basketball Class C State Champions, the Seahawks from Boothbay Region High School. The team completed their season with a stunning record of 22 win and zero losses, capping it off with a play-off win over Penobscot Valley, just so I could let Senator Dill know. The team was down early in the game, a position in which they rarely found themselves. After rallying, they pulled ahead in the third quarter and never looked back. These girls have realized that basketball is a team sport. Not everyone can always be the leading scorer, best shooter, or top performer all the time. It's not about one individual but about a team. These girls didn't succeed without the realization that they each had to work on and improve their own skills and not just expect a few to carry them to victory. This is the first State Championship for the Lady Seahawks since 1984. I would like to congratulate Coach Brian Blethen and the entire team for their efforts. Join me in congratulating and welcoming them to the Maine Senate. Thank you, Mr. President.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair is pleased to recognize in the rear of the Chamber Boothbay Region High School Girls Basketball Team and their Coach, Brian Blethen. They're all from the town of Boothbay and they're the guests today of the Senator from Lincoln, Senator Dow. Would they please rise and accept the greetings and congratulations of the Maine State Senate.

THE PRESIDENT: So, ladies and gentlemen of the Senate, I've got a special request today. I thought, you know, it was such a beautiful day with spring in the air that it would be nice to liven up the State Senate a little bit. So I'm very pleased to welcome the members of the Franklin County Fiddlers of Mount Blue High School in Farmington. Today they're going to perform, which I'm very excited to hear, the Volcanic Jig. The reason why I'm excited to hear that is because part of the agreement for them to come in was the Senator from Franklin County, Senator Black, was going to dance the jig. But with that, seriously, very, very glad to have you here today and the Maine State Senate is yours.

Performance by the Franklin County Fiddlers.

THE PRESIDENT: The Chair would love to thank the Franklin County Fiddlers for their performance. They are the guests today of the Senator from Franklin, Senator Black, and actually the Senator from Cumberland, Senator Carson, was very adamant about having them come in also. Would you please accept the greetings of the Maine State Senate and certainly we appreciate what a great job you do and how much more lively it makes the Senate. Really do appreciate it. People are smiling and, you know, we need more of that in here. That's all. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Penobscot, Senator Gratwick.

Senator **GRATWICK:** Thank you, Mr. President. This bill, which is 'An Act To Provide Funding to the Department of Health and Human Services To Support Free Health Clinics in the State', is important for those people who have fallen out of our healthcare system, fallen through the holes in our healthcare. There are nine free clinics in Maine which serve anywhere from 30 to 1,000 people. The major one is in Portland. It's been going on for the last 25 years. Those people have fallen through the cracks. They're often fishermen. They are wait staff. They are taxi drivers. They are people who work or they are people with mental illness often who do not feel comfortable going to hospitals or clinics, people in white coats, etcetera. It's much easier for them to drop in to an informal clinic and get their healthcare there. These clinics have been around for a long time. They are serving a very vulnerable population. They basically exist because of fundraising that they do with golf tournaments, local fundraising. This is going to allow them to continue for another year. It's a one-time funding from the State and many of these people will be served by MaineCare and other programs in the future but at this time they are still falling through the cracks. These clinics are having very hard financial times. This will keep them going, serving this very vulnerable population. I urge people here, my colleagues, to follow my light. Thank you, Mr. President.

THE PRESIDENT: The Chair recognizes the Senator from Washington, Senator Moore.

Senator **MOORE:** Thank you, Mr. President. I appreciate that. While I appreciate all that the free clinics are providing in the nine locations in the state, I'm a little concerned about allocating \$100,000, even if it is a one-time fee. That \$100,000 could actually serve way more people than just for the nine free clinics that this is covered by. So I would encourage that we would have gone with the Majority Report of Ought Not to Pass. I wanted to speak to that motion.

The Chair noted the absence of the Senator from Androscoggin, Senator **LIBBY**, and further excused the same Senator from today's Roll Call votes.

The Doorkeepers secured the Chamber.

The Secretary opened the vote.

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Bellows.

Senator **BELLOWS**: Thank you, Mr. President. I wish to recognize the Winthrop High School Class C Boys Basketball State Champions. March 2nd was their second State Championship game in three years and this time they did it. Cam Wood scored 16 points, Cam Hachey added 12, and the Ramblers won, defeating Houlton -with all due respect to the good Senator Carpenter - 61-49. Sam Figueroa added 9 points. Jared McLaughlin had 7 for the Ramblers. After three quarters it was 38-36. So this was a tightly fought game but then there were two big 3-pointers from Nate LeBlanc and one from Hachey to extend their lead. This is the 15th consecutive win for Coach Todd MacArthur's Ramblers this season, ending 21-1, and it's the program's 5th State Championship. So please join me in honoring Gavin Perkins; Gavin Brill; Bradley Bourne; Cam Hachey; Ryan Baird; Jevin Smith, who is a Captain; Andrew Frost; Sam Lattin; Jackson Ladd, Captain; Beau Brooks; Nate LeBlanc; Sam Figueroa; Jared McLaughlin; Cam Wood, also a Captain; Hanna Caprara; Rowen Gobel-Bein; Head Coach Todd MacArthur; Coach John Beahr; and Coach Lonney Steeves; their parents, including our Commissioner, Kirstin Figueroa; friends and family members. Such a well-deserved victory. We are so proud of the teamwork, the persistence, the passion that they showed. They truly made Winthrop and Senate District 14 very proud and helped me win a small private bet with Senator Carpenter. So please join me in a round of applause. They have their trophy there and the net. I hope that they will be recognized and that we will recognize them.

THE PRESIDENT: Seeing no announcements from Senator Carpenter, the Chair is pleased to recognize in the rear of the Chamber the Winthrop High School Class C Basketball Champions. They're all from the town of Winthrop and they are the guests today of the Senator from Kennebec, Senator Bellows. Will you please rise with family and friends and accept the greeting of the Maine State Senate.

On motion by Senator **TIMBERLAKE** of Androscoggin, supported by a Division of one-fifth of the members present and voting, a Roll Call was ordered.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Keim.

Senator **KEIM**: Thank you, Mr. President. Ladies and gentlemen of the Senate, I rise just to briefly describe the position on this bill that I'm hoping that you'll all consider and that is that this is a broad description of giving immunity to a lot of different

occupations that don't actually have a legal definition in the law and a lot of them don't really seem to be necessary to the immediate issue at hand, which is dealing with a natural disaster or catastrophe. Also, in the public hearing only one architect came in support of this bill and the professional engineers, who this bill includes, do not want to be included in this bill, and yet we have included them anyway, because they feel that they stand by their work and they do not need to have this extra immunity. Additionally, under the NEMA statute volunteers are protected when they do volunteer their services for a catastrophe when they're called out. Thank you.

THE PRESIDENT: The Chair recognizes the Senator from Aroostook, Senator Carpenter.

Senator **CARPENTER:** Mr. President, ladies and gentlemen of the Senate, very briefly. The Majority Report here does offer to a certain class of professionals some immunity during a period of natural disaster which is defined as a natural disaster declared by either the President of the United States or by the Governor. It would give them limited immunity for personal injury or wrongful death if they came in as volunteers to help after some natural disaster. You might have structural issues. It's always helpful to have these professionals. It doesn't mean that they operate outside of their code of conduct that governs their profession. It simply gives them a little bit of help if they come in and help, again, on a volunteer basis. I'd ask you to support the Ought to Pass as Amended Report. Thank you.

THE PRESIDENT: The pending question before the Senate is Acceptance of the Majority Ought to Pass as Amended Report. Is the Senate ready for the question?

The Doorkeepers secured the Chamber.

The Secretary opened the vote.
