

**STATE OF MAINE
ONE HUNDRED AND THIRTY-FIRST LEGISLATURE
SECOND REGULAR SESSION
JOURNAL OF THE SENATE**

In Senate Chamber
Thursday
January 18, 2024

Senate called to order by President Troy D. Jackson of Aroostook County.

Prayer by Reverend John Allen of First Parish Church in Brunswick.

REVEREND JOHN ALLEN: Let us pray. God, you do not call us into life alone, but you have made us for community with one another and with you. With grateful hearts, we call to mind those communities that have shaped each of us, the ones who first loved us, who taught us, nourished us, and healed us body and soul. Those communities that have invited us to serve. We give thanks for each community around this state, forged as they are through the aggregate of simple kindness. Communities that are remade each day through the expression of neighborliness, compassion, solidarity, and love. We grieve with communities that have been torn by violence and visited by disaster. We pray that you would draw near to them with a tender presence, to bring comfort and courage. And we pray that you would call forth from each of us a response of compassion commensurate with their pain. We rely on your grace, oh, God, and each other's, to move through any mistakes and missteps of our past and to work with one another to form the world that you long for. Where strangers break bread as kindred, where forgiveness prevails on hardened hearts, where weapons of war are recast into the tools of sustenance and streets are restored by a vision of love. Grant us wisdom for the work of deliberation and discernment. Open us to hear the unheard and see the unseen. Encourage us to follow the dictate of our conscience through which you speak to every human heart. And bring us deep peace as we set hearts and hands and minds to the work of our community. Amen.

Pledge of Allegiance led by Senator Richard A. Bennett of Oxford County.

THE PRESIDENT: The Chair recognizes the Senator from Franklin, Senator Black.

Senator **BLACK:** Thank you, Mr. President, Ladies and Gentlemen of the Senate. It is with great pleasure that I stand before you today, having the opportunity to commemorate the attentiveness, quick thinking, and heroism of these three young, fine men. Around noontime on November 28th, Farmington P.D. received a report of a woman had gone and not returned home from her regular trip to the gym at UMF and was officially considered missing, with a silver alert being issued shortly thereafter. As it turns out, she had parked her car behind the UM -- University of Maine's rec center, far away from her usual normal spot, and had collapsed on the way back to her vehicle, completely going unnoticed. She remained on the ground for several hours, where her core temperature steadily dropping before Andrew, Jimmy, and Luke happened to notice her as they took an exceptionally well-timed extra lap around the grounds as part of their practice. They were on -- actually were on their ninth mile and it was their last mile when they found this lady, and it was just by chance that they looked out and saw that there was a car up back with a door open, it had been open, and they didn't even -- couldn't even see her at the time, but they went and investigated because they realized something wasn't right. Upon finding her, these three did not hesitate into springing into action and coordinate a team to ensure her survival. Before medical personnel was able to arrive on the scene, Mr. Reel helped relay first aid instructions from professionals over the phone to his teammates. If it was not for these valiant efforts, there was a very reasonable chance that this woman would have remained undetected and not survived until morning. Gentlemen, please accept my gratitude and adoration for your outstanding work and your cool headedness in a moment of serious crisis, and that of the entire Senate body. We are grateful to have students like yourself representing our state, and hopefully with some bright things to come in each of your futures. Thank you very much for being here today.

The Joint Order was **PASSED**.

Sent down for concurrence.

THE PRESIDENT: The Chair would like to recognize in the rear of the chamber Luke Bliss, Jimmy Reel and Andrew LaFlamme all of Farmington for the sentiments that award the great efforts they've brought forward for the people of the State of Maine. Would they please rise and accept the greetings and thanks of the Maine Senate.

All matters thus acted upon were ordered sent down forthwith for concurrence.

THE PRESIDENT: The Chair recognizes the Senator from Oxford, Senator Keim.

Senator **KEIM:** Thank you, Mr. President, Ladies and Gentlemen of the Senate. I was hoping that someone might table this motion today because I am inclined to support this bill, I actually support local access television channels, and I think that they're important in providing transparency for local governments. However, this bill is -- shouldn't be complex and for certain, I've had enough time to dive into what all of this means, but I honestly can say that I still don't understand the bill and exactly what it's doing. And so, while I care deeply for what I want the purpose for this bill to be, I am not certain that this language is, in fact, doing what I -- what I believe it might be doing. And so, you know, if we had to vote on it today, my vote would be no, but I would really love a little extra time to make certain of what I'm voting on. So, that's -- I just want everyone to understand where I'm at with this bill. Thank you.

On motion by Senator **DAUGHTRY** of Cumberland, **TABLED** until Later in Today's Session, pending the motion by Senator **LAWRENCE** of York to **ACCEPT** the Majority **OUGHT TO PASS AS AMENDED** Report, in concurrence.
