**TOWN OF SCARBOROUGH, MAINE
US ROUTE ONE, PO Box 360
SCARBOROUGH, MAINE 04070-0360**

**Resolution 14-01
Urging the Maine State Legislature
to Preserve and Restore Municipal Revenue Sharing**

BE IT RESOLVED, by the Town Council of the Town of Scarborough, Maine, in Town Council assembled, that,

WHEREAS, for over forty years, the State of Maine has reserved approximately 5% of sales tax receipts from retail sales in Maine's towns and cities to stabilize the property tax burden and support the local governmental services provided on behalf of the State by municipalities, which under the law are subdivisions of state government (the "Municipal Revenue Sharing Program"); and,

WHEREAS, for FY 2014, Governor LePage proposed a State budget that would have eliminated the Municipal Revenue Sharing program and misappropriated all of the sales tax receipts in the Municipal Revenue Sharing Program's Local Government Fund for the State government's use; and,

WHEREAS, the compromise State budget adopted by the Maine State Legislature preserved the Municipal Revenue Sharing Program, but nonetheless re-allocated to the State Treasury tens of millions of dollars previously designated for municipalities under 30-A M.R.S. §568; and,

WHEREAS, the State's last-minute cuts to the Municipal Revenue Sharing Program for the FY 2014 and FY 2015 biennial budget threw municipal budgets for FY 2014 into disarray, necessitating draconian budget cuts, layoffs, and tax increases in towns and cities across the State; and,

WHEREAS, the FY 2015 component of the State's biennial budget both further reduced Municipal Revenue Sharing for municipalities for FY 2015, from its original, statutory level of \$146 million to \$60 million, and threatened to effectively eliminate the program with additional reductions of \$40 million in the event the State is unable to adopt budget amendments that reduce State tax expenditures and/or implement other savings by that amount; and,

WHEREAS, the impact to Scarborough of repeated reductions in Municipal Revenue Sharing has been significant, with the projection for FY 2015 representing only 17.7% what it was in FY 2009, a total dollar loss of \$1,118,230, the majority of which directly resulting in increases to the regressive local property tax; and,

WHEREAS, the Legislature's Tax Expenditure Review Task Force has worked diligently between legislative sessions to address the anticipated \$40 million shortfall in the State budget for FY 2015, identifying State tax expenditure reductions and other savings in Legislative Resolve 2721; and,

WHEREAS, LR 2721 is now pending before the Legislature's Appropriations Committee for its consideration; and,

WHEREAS, the Legislature's adoption of state tax expenditure reductions or other budget savings, and the preservation of the Municipal Revenue Sharing Program that such savings would accomplish are vital to Maine's towns and cities as they prepare for yet another difficult budget process.

NOW, THEREFORE, BE IT HEREBY RESOLVED, by the Town Council in Town Council assembled as follows:

THAT, it is of critical importance that the Legislature preserve the Municipal Revenue Sharing Program so as to avoid further reductions in municipal services and further increases in property taxes; and,

THAT, the Town Council strongly endorses the efforts of the Legislature's Tax Expenditure Review Task Force to identify tax expenditure reductions or other State budget savings to close the \$40 million gap in the State's FY 2015 budget; and,

THAT, the Town Council calls upon the Appropriations Committee and the Legislature to adopt legislation to fully fund the \$40 million FY 2015 State budget gap and thereby forestall further cuts in the Municipal Revenue Sharing Program; and,

THAT, the Town Council urges the local Legislative delegation to support the preservation and, indeed, the restoration to full funding of, the Municipal Revenue Sharing Program.

Signed and dated this 15th day of January 2014, on behalf of the Scarborough Town Council and the Town Manager of Scarborough, Maine.

Subject: Government Accountability Report (5 MRSA §12023)

Dear Mr. President and Mr. Speaker:

In compliance with the requirements of the Government Accountability and Oversight Law for quasi-independent State entities (5 MRSA §12023), I am submitting this report on behalf of the Board of Trustees of the Midcoast Regional Redevelopment Authority (MRRA).

MRRA was created in 2006 by the Maine Legislature (5 MRSA §13083-G) as a municipal corporation charged with the responsibility to implement the reuse master plans for Naval Air Station Brunswick (NAS Brunswick) and the Topsham Annex,

which closed as a result of the 2005 Base Realignment and Closure (BRAC) process. The Authority is entrusted with the acquisition and management of properties within the geographic boundaries of NAS Brunswick. The enabling statute creating MRRA established very detailed description of its powers and duties. The MRRA Board held its first meeting on September 27, 2007 when the newly appointed Board of Trustees called to order its first meeting and hired Steven H. Levesque as its new Executive Director. Operations began on January 1, 2008.

In compliance with the Government Accountability Act please find below our responses to the statutorily required questions:

A. A list of all procurements exceeding \$10,000 in the preceding year for which competitive procurement was waived under the policies adopted pursuant to section 12022, subsection 3, including procurements exceeding \$10,000 that were made under contracts previously entered into for which competitive procurement was not required. The list must include the names of the vendors and costs associated with those procurements;

The Midcoast Regional Redevelopment Authority did not procure any goods or services that exceeded \$10,000 without first having solicited competitive bids during calendar year 2013 with the exception of a Memorandum of Agreement (MOA) with the Brunswick Sewer District to conduct spot repairs to the sanitary sewer collection system at Brunswick Landing. During calendar year 2013, MRRA engaged the District with three projects totaling \$48,476 for sewer repairs. This MOA allows MRRA to have repairs made at below market rates and also allows the District to learn more about our sanitary sewer system, which one day they will take over.

B. A list of all persons to which the entity made contributions greater than \$1,000 in the preceding year and the total amount contributed to each; and

MRRA made a donation of \$5,000 to the Maine Aviation Business Association on December 2, 2013 as one of the founding members. The purpose of the Association is to promote Maine airports as vital economic engines for the State and their host communities; foster the growth of aviation related businesses throughout the state of Maine; showcase Maine's aviation assets to the global community; utilize the state's airport system to create and enhance business opportunities on and off airports; and to educate the general public about the important role of aviation to Maine's economy.

MRRA donated .94 acres of land contiguous to Saint John's Cemetery to the Roman Catholic Bishop of Portland on October 10, 2013 to allow expansion of the cemetery on land that was previously taken by the federal government.

C. A description of changes made in the preceding year to the written policies and procedures required by section 12022 or to the procedures used by the governing body to monitor compliance with those policies and procedures.

The Board of Trustees did not change or amend the Accounting Policies and Procedures Manual or the Purchasing Policy during calendar year 2013.

I would also note that on January 6, 2014 MRRA submitted a thirteen page detailed narrative and financial report on the activities of MRRA for calendar year 2013 to Governor Paul LePage consistent with the requirements of 5 MRSA §13083-S.

Sincerely,

S/Steven H. Levesque
Executive Director

Re: Quasi-Independent State Entity Report of Maine Municipal and Rural Electrification Cooperative Agency

Dear President Alford and Speaker Eves:

DIRIGO, the Association of the state consumer and member owned utilities, formed the Maine Municipal and Rural Electrification Cooperative Agency (MMRECA) as a vehicle for promoting joint action among the state's eight consumer owned utilities. The officers of DIRIGO serve as the officers of MMRECA. The members of DIRIGO participating in MMRECA activities fund all costs of those activities. MMRECA receives no State funding. DIRIGO sees an inherent value in maintaining MMRECA even though it has not been active in the past years. The electric utility "business" was historically stagnant, but with the ever continuing changes that have taken place and that are likely to occur in the future, DIRIGO believes it needs all of the mechanisms available to it to meet any new challenges and be able to provide the best possible service to our consumer owners and members.

In compliance with 5 M.R.S.A. §12023 MMRECA provides the following response. The MMRECA did not adopt policies regarding vendor selection, contributions, and travel, meals and entertainment. MMRECA commits that it will put in place such policies prior to engaging in associated activities. MMRECA has not retained a lobbyist.

If you have any questions please do not hesitate to contact the undersigned.

Sincerely,

S/Scott M. Hallowell

**TOWN OF PITTSFIELD
RESOLUTION ON MUNICIPAL REVENUE SHARING**

Be It Resolved by the Pittsfield Town Council:

Whereas, the Pittsfield Town Council is deeply concerned and wishes to express its opposition to the continual depletion of the Municipal Revenue Sharing Program that had been guaranteed under the State of Maine law as a source of funding for municipalities. It is understood that monthly payments to towns will change during the years due to the funds collected under the law. It is not understood as to why the funds are being taken from the Towns and used by the Legislature to balance first the State FY 2014 budget and now the FY 2015 budget. These funds were designated for the municipalities so that there would be alternative revenues to that of the property tax. The diversion of Municipal Revenue Sharing is resulting in an alarming shift of costs to the Property tax and to the Property Taxpayer across the State of Maine.

Whereas, for FY 2015, the estimated \$146 million dollars in municipal revenue sharing distribution called for in the law was reduced to just \$60 million dollars with the remaining \$86 million dollars of Municipal Revenue Sharing diverted to support the State budget.

Whereas, the budget directed that a special "Tax Expenditure Review Task Force" recommend \$40 million dollars worth of tax exemptions for elimination, resulting in putting up an additional \$40 million of Municipal Revenue Sharing cuts as collateral if the Tax Force effort did not work. As we have recently heard, the Tax Force effort did not result in any recommendations due to a variety of reasons including confusion over the many tax exemptions currently allowed under the law, the details of those exemptions and the time period allowed for the review.

Whereas, if \$40 million more dollars are taken from the Municipal Revenue Sharing account, this program will effectively be close to termination and certainly not remotely within the spirit of the law that created the program.

Whereas, in 2009, the Town of Pittsfield's Municipal Revenue Sharing was at a level of \$452,832 which represented 28% of the Town's municipal revenue collections. Municipal Revenue Sharing has been utilized to decrease the amount of property taxes collected and to fund necessary town programs.

Whereas, in FY 2015, if the Legislature does not act to save the Municipal Revenue Sharing program and the distribution becomes \$20 million, the Town will receive an estimated \$69,082 rather than \$376,713 provided for in FY 2013 before the shift of Municipal Revenue Sharing from the municipalities to the State.

Whereas, to not increase taxes on citizens, especially our senior citizens, the Town has taken many actions to deal with the loss of Municipal Revenue Sharing during 2013 and 2014 as follows: the Town ceased implementation of its paving plan resulting in roads which requiring work to not receive pavement or reconstruction; reduced capital expenditures for infrastructure; suspended energy retrofits; deleted tree planting and many landscaping projects; delayed downtown improvements; deleted planned purchases; and reduced funding appropriations for several services. The effects have already been felt and it is becoming very difficult to fund municipal services.

Whereas, for the last decade, the Town has made a concentrated and comprehensive effort to reduce its expenditures in an effort to reduce property taxes for municipal expenditures. With the loss of additional funds, the Town will not be able to reduce any more programs without significant burden on our citizens and remaining staff or an increase in property taxes which will also burden our taxpayers.

Whereas, to replace this loss of Municipal Revenue Sharing through property taxation, the Town's tax rate would need to be increased by an estimated \$1.50 mils without including the impact of SAD#53's assessment and before considering any needs of the community in its budget;

Now, therefore, be It Resolved by the Pittsfield Town Council to request that the State Legislature re-instate the Municipal State Revenue Sharing Program to the original requirements of the law and not take any funds from the program.

The Town of Phippsburg, on the 200th anniversary of its incorporation. Annexed to Georgetown in 1741, Phippsburg, named after Sir William Phipps, a former royal governor of Massachusetts, incorporated under its present name in 1814. Phippsburg is the site of the Popham Colony, the first known English settlement attempt in New England. Phippsburg is a major tourist destination, home to Fort Popham State Historic Site and Popham Beach State Park. The town, on the west side of the Kennebec River, has played an important role in the shipbuilding heritage of Maine. We extend our congratulations to the good citizens of Phippsburg as they begin a year-long celebration of their bicentennial and send them our best wishes;

Bill "An Act To Increase Consumption of Maine Foods in All State Institutions"

H.P. 888 L.D. 1254
(S "A" S-355 to C "A" H-510)

Tabled - January 16, 2014, by Senator **HASKELL** of Cumberland

Pending - **CONSIDERATION**

(In House, January 14, 2014, **VETO OVERRIDDEN** and the Bill **PASSED TO BE ENACTED**, notwithstanding the objections of the Governor.)

(In Senate, January 16, 2014, Veto Communication (H.C. 307) **READ** and **ORDERED PLACED ON FILE**.)

THE PRESIDENT: The Chair recognizes the Senator from Kennebec, Senator Lachowicz.

Senator **LACHOWICZ:** Thank you Mr. President. Men and women of the Senate, this bill came before my committee, the State and Local Government Committee, and one of the things I want us to be really clear about is there's been a lot of talk about how this doesn't encourage competition. However, the bill specifically states that Maine institutions only have to use local foods if things are priced competitively. It also excludes schools, since schools have to follow U.S. regulations due to the school lunch program. I would encourage us to pass this bill because it's actually encouraging healthy food for State employees, for anyone who uses State institutions, and in addition it helps our

local farmers. One of the biggest job opportunities up and coming is farming for young people. I think we should do all we can to make sure that we support them. Thank you very much.

THE PRESIDENT: The Chair recognizes the Senator from Aroostook, Senator Jackson.

Senator **JACKSON:** Thank you Mr. President. Ladies and gentlemen of the Senate, I rise to urge you to vote to Override this veto of L.D. 1254, An Act to Increase Consumption of Maine Foods in All State Institutions. When are we going to invest in our state's food economy, our production? If not now, when? We all talk about the fact that we want to do the best that we can for our natural resources economy. This is a perfect way to do that. These are traditional industries here in Maine that we've leaned on in the past. They are in somewhat of a decline. A bill like this would actually do something that could actually help these industries as far as farming goes. L.D. 1254 is a common sense economic development measure that would strengthen Maine's food economy and promote job creation for Maine people. Last session the Legislature agreed to the measure, passing the bill by a two-thirds vote, a super majority to be sure. L.D. 1254 would direct all State funded institutions to purchase a percentage of food from Maine food producers. Those percentages increase incrementally over the next 20 years in order to make them achievable and fiscally responsible. Schools that participate in the federal school lunch program are exempt. The Joint Standing Committee on State and Local Government, chaired by Senator Lachowicz, did an outstanding job working on this bill. The school exemption was prudent in order to keep this bill moving forward and the committee also knew that L.D. 1431, An Act to Support School Nutrition to Expand the Local Food Economy, was also in the pipeline. That proposal seeks to remedy any problems with local school districts that may have trouble sourcing food from the local food producers. I just, again, want to say that the bill was worked on last session. It had an extremely strong report out of the committee. It had an extremely strong report both in the House and Senate. Passed with great numbers. It's really hard to understand how we all talk about the economy here in Maine and how we have to do things to do it locally. I think we have a number of advertising campaigns to buy locally and get your products here in Maine. Here's a perfect example of how we could actually be providing food that is grown in our local communities, good food, not something that's full of any steroids or anything like that, something that we know where it's been made, and it's probably the most healthy for our children, and it's going to actually help the economies in those local areas, and we're willing to reject it. I'm very confused about why we wouldn't want to try and make something like this; that is very well thought out, very slow over time. It actually dovetails onto existing law that already talks about how we want the state to be providing food from our local producers anyways. This bill just kind of goes along with that, to try to help encourage that and promote it further. I would really encourage everyone to not let the vision of a bill like this get in the way. It makes sense. It makes sense today. It makes sense tomorrow. It's always going to make sense. The only thing that won't make sense is if we don't vote to override this bill today. Thank you very much, Mr. President.

The President laid before the Senate the following: "Shall this Bill become law notwithstanding the objections of the Governor?"

In accordance with Article 4, Part 3, Section 2, of the Constitution, the vote was taken by the Yeas and Nays.

A vote of yes was in favor of the Bill.

A vote of no was in favor of sustaining the veto of the Governor.
