JOINT RESOLUTION RECOGNIZING THE LIFE AND ACCOMPLISHMENTS OF THE LATE UNITED STATES SENATOR MARGARET CHASE SMITH

WHEREAS, in 1940, Margaret Chase Smith won a special election to the United States House of Representatives following the death of her husband, Representative Clyde Smith. She went on to win the general election in her own right just 3 months later and was re-elected for 3 additional terms over the next 8 years; and

WHEREAS, in 1947, Representative Smith played a key role in getting the Nurse Corps Bill passed through Congress, granting women the opportunity to have permanent status in the United States military for the first time; and

WHEREAS, Margaret Chase Smith was sworn into the United States Senate on January 3, 1949, becoming the first woman to be elected to both houses of Congress; and

WHEREAS, in her Declaration of Conscience speech made on June 1, 1950, Senator Smith spoke out against the cruelty of McCarthyism and the “national feeling of fear and frustration” and called on her fellow Legislators to avoid hatred and character assassination and to honor the right to criticize, the right to hold unpopular beliefs, the right to protest and the right of independent thought; and

WHEREAS, in 1954 and 1955, Senator Smith took a world tour at her own expense and not as a representative of the United States government, visiting numerous European, African and Asian countries and interviewing over 20 world leaders. Many of the interviews were recorded and sent back to the United States to be broadcast on Edward R. Murrow’s program “See It Now” on CBS. The Overseas Press Club of America later honored the “See It Now” segments with the Best Presentation on Foreign Affairs award. Senator Smith accepted the award on behalf of CBS and officially became an award-winning foreign correspondent; and

WHEREAS, Senator Smith debated former First Lady Eleanor Roosevelt on “Face the Nation” in 1956, a few days before the 1956 Presidential election. They were the first female guests on this news show and debated the 1956 Israeli-Egyptian war over the Suez Canal, the Soviet invasion of Hungary and civil rights; and

WHEREAS, in 1964, after being told that the White House was not ready for a female chief executive, Margaret Chase Smith became the first woman to be placed in nomination for the presidency by a major political party, ultimately losing the nomination to Barry Goldwater; and

WHEREAS, in 1982, Margaret Chase Smith opened the library that houses her papers for researchers of all ages. Upon her death in 1995, her Skowhegan home was turned into a museum open to the public so that we might continue to learn from the example of civility and leadership her life evinced; now, therefore, be it

Dear President Daughtry and Speaker Fecteau:

Pursuant to M.R.S.A. Title 5, section 12023, the Sunrise County Economic Council (SCEC) is pleased to submit the 2024-2025 Quasi-Independent State Entities Report to the Legislature on behalf of the Washington County Development Authority (WCDA). SCEC is a nonprofit organization that works to create jobs and prosperity in Washington County; we are also the economic development arm of Washington County government. We provide staff support for the WCDA and are partnering with the Authority in its effort to redevelop the former U.S. Navy base in Cutler.

The former U.S. Navy Base in Cutler is comprised of roughly 15 acres and five commercial buildings comprising 75,000 square feet. The Authority is working to bring these facilities back to productive use. Most of the Authority's focus in the past year has been related to the assessment and remediation of hazardous substances in the former recreational and administrative buildings. The Authority also made repairs to the other buildings to keep them weathertight.

In 2024-2025, WCDA used procurement by a competitive bid process to secure contractors for the cleanup work and repairs.

The Authority made no procurements of over \$10,000 for which competitive procurement was waived. WCDA did not make any contributions greater than \$1,000 or changes to policies and procedures in the past year.

Please contact me with any questions or concerns. Thank you.

Re: An Act to Implement the Recommendations of the Office of Program Evaluation and Government Accountability and the Government Oversight Committee Regarding Quasi-Independent State Entities

Dear Senate President Daughtry,

Enclosed are the reports required under 5 M.R.S.A. §12023, due February 1, 2026. The reports include: a list of all procurements in 2025 exceeding \$10,000 for which competitive procurement was waived; a list of contributions made in 2025 that exceed \$1,000. Section 12023(2c) requires a description of changes to the written policies and procedures required by Section 12022. There were no changes to the policies and procedures required by this section in 2025, therefore, there is nothing to report.

In 2025, the Maine Turnpike Authority made over \$129 million in payments to approximately 600 vendors. The vast majority of these payments, approximately \$106 million, were for competitively bid products or services or were legally or legislatively required. The Authority sole-sourced approximately \$17.5 million in 2025. Forty percent of the sole-sourced amount is attributed to continued business with Transcore who built our toll system over 20 years ago and continue to maintain that system and a contract with Rock Coast Personnel which provides temporary employee services for toll collection and customer service. Most of the remaining sole-sourced products or services were either proprietary in nature or were procured under long-term contracts. As these long-term contracts expire, the Authority will seek competitive bids.

Respectfully,

S/Andre Briere, Colonel, USAF (ret).
Executive Director
