(4-38) the YMCA, of Chicago, Illinois, on the occasion of its 175th Anniversary. The Young Men's Christian Association was founded in the United States by Thomas Valentine Sullivan at the Old South Church in Boston on December 29, 1851, inspired by the YMCA movement in England with a mission to put Christian principles into practice by building healthy spirit, mind and body for all. The YMCA has continually adapted to meet evolving needs of American communities, strengthening society by bringing people together, fostering relationships and creating a sense of belonging. The YMCA's legacy includes pioneering the first night school and English as a Second Language classes; inventing basketball; delivering the first group swim lessons; establishing the Youth and Government program in 1936, a premier civic engagement initiative that continues today; serving as the birthplace of Father's Day, with the first celebration held at the Spokane YMCA in 1910; becoming the nation's leading nonprofit provider of child care and afterschool programs since the 1970s and 1980s to support working families. The YMCAs of Maine trace their roots to the earliest chapters of the movement in the United States, beginning with the founding of the Portland YMCA in 1853 and the Bath YMCA in 1856. Over more than 170 years, the YMCA in Maine has grown into a statewide network of 15 YMCA associations operating 24 branches and camps that now serve more than 100,000 Mainers each year. We extend our congratulations and best wishes;
